Supreme Courts & Government's Re: Anti Gay Lesbian & Anti Abortion Laws

Anti Gay Lesbian Marriage, Anti Abortion, Anti Stem Cell Actions Violate USA Constitution

PROPOSAL— Apply All USA Laws & All Sciences to Legislation & Court Actions

March 15, 2009

Science & USA Constitution Both Apply To People

Zoologists report all species have homosexuals, 450 studied by 1998—Bruce Bagemihl's
“Biological Exuberance” book. AP article on gay penguins quoted this in all papers in March 2003.

Zoology literature has reported this since at least 1978. ➤Ongoing lies kill people. Why lie???

USA's Constitution's First Amendment says US shall make no laws about religious issues. Anti Abortion, Anti Homosexual, and Anti Stem Cell Research Actions and Laws Are Based on Religious Beliefs, with no basis in science, sociology, or biology.

These actions against many people are strictly illegal religious bigotry, killing people to support lies by religions and bigots.

➤Anti abortion, anti homosexuality, and anti stem cell research are acting against the biological design of people, illegal under most cultures' laws. US law and Constitution require

criminal action against all individuals, groups, religions, educators, and media involved in these murderous actions.

Anti gay lesbian actions anti abortion and anti stem cell research are based on religious lies. This violates First Amendment Separation of Church and State and Equal Protection Constitutional Requirements. This illegally promotes violence, murder, suicide, health problems, and discrimination against basic genetic design. This is proven murderous.

➤The New Testament Bible was rewritten and expanded 2-4 times in homophobic cultures.

False info causes violence, murder, and a four times greater suicide rate of youth when they learn God designed them and 7.3% of all humans homosexual—Gay, Lesbian, or Bisexual.

►Sociology studies of accepting cultures

Sociology Research proved Cultural Conditioning to be hypnotic in character, therefore any establishment given new to them info that conflicts with their Mind Set, discards it, hides it, suppresses it, and creates false info to buttress their position. Not Invented Here beats scientific research. Brainwashing has been

There are 428 books by historians on human cultures and establishments shooting down whistle blowers and innovators, today as in the past. Often literally. Examine 639 books by scientists, 86+ by physicists, explaining the phenomena in our MultiDimensional Holographic Universe. All we encounter is a Completely Integrated MultiDimensional Holographic SubSystem of our MultiDimensional Holographic Universe SubSystem. The history of science is ignoring and suppressing any new info that conflicts with beliefs for 2 to 100's of generations.

proven very effective. That's why advertising sells. People are designed inherently gullible.

►Lie to people throughly and they will vote for anything. People have always done this, even when their actions were illegal and damaging.

Meridian Lines, and Chakras. Energy Healing is validated by 42 studies, with 53 studies proving that viruses and bacteria are eliminated.. Netherlands have 75%+ of MD's working with Energy Healers--Blue Healers. The Mechanistic World Concept Is Proven False-completely discarded by science 2000AD

Examine why we ignore 32 studies validating safety training reducing accidents and errors 98% to 99.7%, 25 studies validating Holistic Health, 212+ books on the war against Alternative Medicine, evidence that Congress and Legislatures were paid cash under the table for 82 years to put MD's in charge of health

care, illegally suppressing science in health care yet today. This kills people. Call re evidence sources, references, attorneys who representing 981 MD's charged for using Alternative Medicine modalities, even bionutrition and herbs, reporting that all have a winnable law suit against MD's for suppressing science in health 1838 to present, and bribing politicians..
