Scientific Method, Research Projects, Business, World Peace, Holistic Health, Insurance, Safety,
& Grants. Seek Grants-106 projects, Help to publicize info non profits, media, educators,
corporations, and governments are missing that will enable correcting all of the actual basic causes
of our many problems as a completely integrated sub system. Major goofs by government are being
ignored. Info we gave DoD's Chief Of Staff Powell and handed to FBI Agent Moss 1992 and others
since would have enabled preventing 9-11 and other attacks. All failed to address training errors and
omissions, and discounted the fraud in health care. ►FBI Financial Crimes Senior Advisory Special
Agent Rick Solomon says he can't get them to listen to his ideas for improvement. He says FBI CIA
are unable to consider any new to them info, even Geniuses. Military, security, police, pilots, ATC,
drivers, and kids need the Safety Training to save lives and equipment, + Sociology Cultural
Psychology info. All ignore safety training. The 9/11 commission failed to consider our info on basic
causes of failures, the effect of Institutional Blind Spots, the Vested Interest Syndrome, and inherent

human habits of psychologically discounting any info conflicting with their mind set are still ignored. Habits of thinking in well learned patterns keep institutions from considering new info.

▶How & Why to Arrange for Studies of Geniuses Discoveries Proving Cultural Errors & Crimes.

▶Homeland Security is closed to research info they need to improve their effectiveness. Human's Inherent Habits of discounting and ignoring any new to them info that conflicts with their mind set, belief systems, caused these failures. This has been well studied and is explained by Sociology Cultural Psychology research, and Vested Interest Syndrome. Only 4.6% can consider new info that conflicts with their mind set. Establishments given new info conflicting with beliefs discard it, ignore it, distort it, hide it, and even create false info to buttress their position. Why they do this is known, studied by Sociology, Historians,

others, and is changeable. Vested Interests are still making government decisions in most fields resulting in serious short and long term problems and actual disasters for children, adults, ecologies, and environment. Education's 22 errors, 14 in Formal Ed, 8 in Informal Ed, result in more problems, fail to teach ten ways to get free of stress, NeuroLinguistic Programming to heal all victims of stress permanently in one 3-10 hour day, Active Listening, urgent for negotiators, educators, and security, safety, Physics Proof That Matter Is a Holographic SubSystem, and other forefront of science research.

▶Our summary of geniuses research will help nonprofits, improve all businesses, aid R & D, offer 71 new product and research projects, increase the rate of invention, improve effectiveness of firms and people, reduce errors and accidents 98%+, reduce illness care costs 87%+, reduce illness 76%-83%+, permanently

eliminate stress internalization, heal all problems, and aid all employees and board members. Firms fail to train in cause effect, cost benefit and systems analysis, long term planning, the effects of decisions and actions on people and ecological systems, add Active Listening, Stress Elimination, Transpersonal

Psychology, and Safety Training that increases creativity, effectiveness, aiding survival and effectiveness. Physics explains why.

►Whistle Blowing! What If Geniuses Are Right? Study our summary of Geniuses Info on SA web. Honest Evaluation of these summaries of geniuses research requires reading SA's key articles. ►"A Basic Cultural Urgent Problems, GIGO Data Bases" Media NYT, Media Ethics, Education, Libraries, Fix, Ed Scientific Method, Peace, Agriculture, Govt, Safety, ACLU, Security, Military, Health Enhancement References +++Study SA's 190+ articles very carefully. Examine evidence. Check references. Help with whistle blowing and projects for world peace, world health, long term human survival using all of science.

►►►Back 106 non profit projects and 71+ new State of the Art business R & D projects made possible by today's Physics and Science.

Serendipity Association seeks funding and partners for 106 non profit projects. Note 25 studies and the President's Health Committee 1997.23 person study found Holistic

►Holistic Health Training and Insurance Systems will enable insuring everyone for 60%

Health valid. They recommended integrating Holistic Health to save lives, suffering, and Billions. This will enable reducing costs of health care to 60% less than we pay now, covering all babies, kids, and adults, healing or preventing all problems for almost all people. We seek backing for a major demo of Holistic Health's ability to heal all problems of stress, injury, illness, birth defects, genetic anomalies, as everything but political stupidity is proven curable by 25+ studies validating Holistic Health research, finding 80% savings. The impact on world leaders of learning that they have been given false info on health, healing, prevention, safety, and human survival may make it possible to Correct All Fourteen Errors, Omissions, and Fantasies in Formal Education and Eight in Informal Education. These failures aided our ignoring research on regulations of stock, mortgages, power firms that prevented theft, and training that eliminates accidents, available in our culture since at least 1927, with the 32nd study reported by an AP article 7/87.

less than we pay now. This will solve budget problems. Attorneys for 981 MD's charged for

daring to use Alternative Medicine modalities studied the MD's 1838 ongoing war against Alternative Medicine. ➤➤They report "Everyone has a winnable lawsuit against the MD system for RICO, Theft by Deception, Criminal Malfeasance, and Manslaughter". ➤In 1987 AMA was found guilty of conspiracy, restraint of trade, and anti trust. Eleven MD groups settled out of court. Suppression of science in health is murder. Study our Grant Proposals, Health info, and ACLU. Attorneys report Legislators, Congress, all elected, appointed, and hired management can be jailed for aiding manslaughter. All elected and hired officials are liable. No government immunity exists for aiding manslaughter. Staff would seem to be liable also.

Back a victims healing and prevention project. After two years of Aikido a small women or girl can't be attacked successfully by five men. Five element training increases

Research Projects: ➤Create a major project to develop new power sources from the underlying structure of matter with an Oak Ridge type project based on today's physics. In literature since 1987. Science indicates that this may be

intuitive awareness of danger, error, and best action. Children and adults will consistently avoid danger, even in emergencies of fire, accidents, crime, violence, storms, earthquakes, and war. ➤NeuroLinguistic Programming Imagery eliminates stress internalization permanently in 3-10 hours, one day, for all victims of loss, violence, war, rape, accidents, fire, and torture. ➤➤In 92% of victims, trauma is hypnotized into their minds. Counseling doesn't work on hypnotic programs,

➤My education is electronics, physics, with wide ranging studies in most areas of science and engineering. I dealt with most fields of science running Hemstreet Consultants, and studied widely most areas of Science, History, Sociology, and Cultural Psychology, Born 1927, a member of MENSA, had 4,300 non fiction books in my library. I examine evidence and check references very carefully.

solved within 40-60 years and \$1.8 Trillion. This is most urgent with all oil gone before 2100. The many spinoffs will be very profitable. Spin offs will create trillions. Physics indicates that we can succeed in other needed projects.

These include Regeneration R & D, improved safety and security, devices to neutralize nuclear waste radiation, toxic wastes of any nature, Weather Control proven feasible, devices to damp fire at a distance, and many other projects

► Back a long term World Peace project.

When we correct all 22 education errors, omissions, and fantasies, we will have peaceful societies and world. When world leaders learn that the 1838 to present war against Alternative Medicine suppressed science in health, resulting in their being given very incorrect info on health care, healing, and prevention, correcting the worlds education systems and planning ahead for long term human ecological survival may be possible. Holistic Health Healing and Longevity Centers will heal bodies, minds, attitudes, and emotions. This will heal the attitudes and habits that lead leaders into theft, violence, and war.

Physics proved we are a Completely Integrated Multidimensional Holographic SubSystem element of a MultiDimensional Holographic Universe SubSystem. We can create Holistic Health Centers that can work with all mind body health problems on a free if not healed basis, and not lose money. ► Energy Healing Is

not solvable by believers in the fantasy of a mechanistic world. Earth is a Hologram. People are also.

Applied Physics, validated by 42 studies, 53 studies prove Energy Healing eliminates all viruses and bacteria. In the Netherland's, 75% MD's work with Energy Healers, more yearly.

►► Instrumentation shows Acupuncture Points, Meridian Lines, and Chakras. One percent of adults, 5% of kids, can see Auras clearly, 63% can learn to see Auras. Kirilian Photos show Auras, Chakras, Meridian Lines.

Our proposals for Government, State Dept, Homeland Security, FBI, CIA, DoD, Agriculture, education, and ACLU in 190+ articles add depth, explain details and many security, research, and cost reduction applications.

HHS still suppresses Holistic Health research, even info on herbal ointments that eliminate breast and skin cancer for 97.6%, and how Dr Liang, an Oriental Physician, Herbs and Acupuncture Inc, missed only one cancer case of 689 in 26 years here. Many Oriental

Medicine Dr's are this effective at healing and prevention. Learn why 75% of Netherlands MD's work with Energy Healers. Examine the research studies throughout our world.

► Political failures and coverups are far worse then have been publicized by political campaigns and media. Our web info covers 23 major errors and omissions in military and security, 22 in education, 9 in agriculture, and all 35 Cultural Errors, Omissions, and Fantasies Geniuses Identify in Our Culture.

► Why ignore The Union of Concerned Scientists web report on Bush ordering major government agencies to falsify research and other reports? All followed orders. The editor of Science mag is an editor. HHS replaced birth control and condoms on web with abstinence for pregnancy prevention and STD prevention. Experience and research proves this increases pregnancies and infections. The rhythm method fails often. HHS removed condom info from their internet "Education" pages. Twenty three departments and agencies falsified data on environment destruction, health care, pollution of air and water, weather changes, education, and more reported in these 2004 March 49 page

and July 33 page reports. We ignore research on massive weather changes and business cycles.

► Overpopulation is genocide by starvation of One+ Billion by 2100, Six+ Billion by 2140. Population density is a factor in violence, rape, and war. Politicians and religions keeping us out of international population control directly caused the starvation of 10 million of the 19 million that starved since 1890. ► We Use Oil for Agriculture. The world's oil is gone by 2100, yet Bush kept us from requiring fuel conservation in vehicles and all other areas. Urgent--require all vehicles to be hybrid or better, 50-80+ mpg. Allow no low mpg vehicles sold to any who can't prove the need for a truck. ► All buildings need to be straw bale construction or equivalent insulation, triple glazed windows, fireproof, automatic shutters, ergonomic design, solar panels, and all other features needed for lowest energy use and lowest possible maintenance. ► Require the use of Psychotronic Devices in buildings and cities.

Most buildings built now will be here when we're low on or out of oil. Build and retrofit for absolute minimal needs for energy and other resources.

Thomas Oliphant "Utter Incompetents" Ego & Ideology In The Age Of Bush clarifies the damage done to society in these eight years. Bush's primary agenda has been transferring public money to the private sector's wealthy, and taking care of his buddies in many ways. Bush and Ashcroft proposed and used fascist methods similar to those Hitler used in taking control of Germany. His Help My Buddy Buddy's orientation and right wing religion actions and habits are costing the country far more than has been publicly noticed. ➤43 books on Bush and Republican policies damage done to USA since 2000 are ignored. Why?

➤Anti abortion is manslaughter of those women that still die in pregnancy and birth. Medical schools say it's ten times safer to have an abortion than pregnancy and birth. Deaths range from one in nine in one culture to one in 27,000 pregnancies with good prenatal and nutrition.

➤Anti abortion is genocide, aiding population increases, speeding ecology destruction, and resulting in far more starvation. Millions now, billions in the near future if we fail to reduce populations 93% to 500 million, as we are out of oil before 2100. Weather change studies show clearly that we are at the end of 265 years of

better crop weather. We will have worse crop weather with global warming than any in recorded history. The ocean level is rising. Plan for ice ages every 18,000 to 72,000 years. Study our political critique, reform, and other proposals. Make all decisions AS IF humanity will be here for over 400,000 years, not just one year. Perhaps we should Plan Ahead for the first time in history??? Can we do this???

Biowarfare solutions are suppressed. Radionic Devices are proven effective by 16,000 farmers and USN research. They eliminate any insect pest, virus, bacteria, fungus, or mold in the target area. FDA put two firms out of business for daring to point this out in their literature. This seems illegal. Radionic Devices use a different frequency for each item. Only Physics Explains Them. There are 639 books by Scientists, 86 by Physicists, explaining this type of phenomena. People feel physics research can't possibly be right, so Agriculture, State Department, and DoD discount and ignore them. Seven manufacturers survive. See our Agriculture report. Appropriate Technology Transfer For Rural Areas has 17 groups. Steve Diver, then George Kuepper were their Radionics experts 800-346-9140, Fayetteville,

AL. SA web new A-Ag article-contact info-get Kuepper's 52 page article on Radionics. Get info from the US Psychotronics Association on their conferences and reports on research and products. Add Pyradyne Inc, LA, info on devices. Order their Medallion Device that prevents Jet Lag and their Laser OmniOrb, with 163 times the energy flow of a standard pyramid when the laser beam hits the quartz crystal in the kings chamber. Aids genetic and biological research. Order thru us at their quoted price, check to them. We get credit. Pyramids increase plant growth and healing rates three times. ► We ask grants to publicize Radionics, Psychotronic Towers, to eliminate pesticides and fertilizers, research to improve current designs, and to develop Radionic Devices to cover the entire planet from a single location. Physics and other research indicates that this may be feasible. There are experts that can be brought together for this project. Research on many Psychotronic Devices are projects which need major funding.

► Medallion Devices that eliminate Jet Lag need promotion. These are needed by all world travelers, and are even more important for business, military, security, and governments.

► Back research to offset Global

Warming. Physics indicates we may be able to reverse Earth's warming and droughts. Develop food plants that survive drought, very wet, and salty farmland much better. ► CO₂ increase in oceans will destroy phytoplankton, the food chain base for fish. This is an urgent emergency, one of eight major disasters facing us. Back Genetic redesign of phytoplankton to survive very high CO₂ concentrations to protect fish from destruction by CO₂ causing high acidity.

We need reefs. Create heat proof Coral. Military spent over \$195 million on top secret psychic research thru 2001, as the first \$50,000 found the field valid. They failed to use research that could have prevented 9-11 and solve many problems only IF it was used. Top brass discounted and cancelled the research 3/02.

USA fails to use grads with psychic abilities. Some are able to identify criminals or bombers in crowds, ports, or even at a distance. They ignore our proposal to use Holistic Health's proven ability to heal all personnel, to use the safety training to drastically reduce accidents and errors, to use today's science to solve regeneration in seven years, \$95 million. Security advisors, DoD, State Department, media, and politicians ignored our summaries of

geniuses info in many fields.

► A Whistle Blowers Nonprofit is needed.

Offer rewards with protection, new job, relocation, and all else needed to encourage Whistle Blowers to tell of errors, omissions, fraud, and thefts. This will come up with much more info. Rewards, protection, new jobs, education, relocation if needed, will attract

► Military, State Department, CIA, FBI, and other government agencies are failing to use Sociology research on the Cultural Psychology of each culture and sub culture we deal with. All cultures have been well studied. Using research on the lessons of history and the effects of language, religion, education, culture, and subculture's effect on thinking, attitudes, emotions, and probable actions would have prevented the current messes in Islamic societies. Seven Catholic Crusades created the foundation for current Islam problems. Use this info to do far better in all countries and our own.

► The actual cost of spending money on credit has not been addressed. What are the total costs of spending borrowed money USA doesn't have, while ignoring our many needs? Trade Imbalances result in offshore money buying US

Whistle Blowers in power firms, military contractors, DoD, CIA, FBI, Utilities, Corporations, Educators, and in all areas of US, state, and local governments. ► Fear causes those who know of crimes and costly errors to stay silent. All crimes damage people and budgets. They need to be stopped.

property, shifting an increasing percentage of USA ownership into foreign hands. What is the long term results of this? Trade acts injure us when they end up with our citizens competing against Slave Labor, Child Labor, people making less then \$2-\$10 per day, with no health care, safety, or environmental protection required. There is no level playing field for our citizens. Outsourcing jobs and new technology creates even worse conditions for our children, families, and adults. The trade bills are damaging us badly now, and are moving our wealth and jobs offshore. This is destroying our future, and increasing the rate of environmental destruction world wide. Use cause effect studies, cost benefit analysis, the many lessons of history, science, and sociology research..

► When government money is used for

new product and new business research and development that creates profit, the taxpayers should permanently own a large piece of the patents and the business.

► Military contracts should be at actual costs with limited profit, no high salaries, and public ownership of all patents and processes.

Use “Crimes Against Nature” by Robert Kennedy jr with much info that will help remove right wing politicians. Many actions of this Bush Republican administration violate the Deceptive Practices Act, the Constitution, and laws against Manslaughter. Are they actionable under law??? Impeachable? Both parties and government management act against our citizens in many ways. How do we bring them to account?

► A DC insider at a meeting told me that Bush started the Iraq war at that time to gain power and ensure winning elections. He was going to show his dad that he could do it better.

► Fund our urgently needed Reeducation, security, safety, health, and R and D Projects. Somebody “Out There” didn’t come in and create all of our many problems. Our Grads Created Them. When we correct all fourteen errors, omissions, and fantasies in our formal education system, and eight in informal

education, we will have a sane society. When we do this world wide, we will have a peaceful world that will plan ahead for long term human survival. Nine cultures studied were free of violence, rape, and crime. Humanity has the knowledge to do this in all cultures. This is far cheaper than any of the alternatives.

► We seek funding for new Serendipity Education Systems major projects, to create effective multimedia reeducation materials on the forefront of science, knowledge, why we ignore Geniuses for generations, and the lessons of history and sociology for all governments, corporations, leaders, educators, and citizens.

► Finland got alcohol off the highways better than any country. Back projects to do this here.

Stop allowing advertising for tobacco, alcohol, and pharmaceuticals. All Grads need to thoroughly understand the implications of Paradigm Shifts, the 46 scientific discoveries that discarded the mechanistic world view, cost benefit analysis, cause effect relationships in MultiDimensional Holographic Planet Earth and Universe, Systems, the extreme urgency of very long term planning, weather changes, business cycles, and the very costly and destructive effects of making plans and acting on

incomplete or false info.. Educators teach info known to be false as if it's true. ➤Over 450 species studied by zoology have homosexuals. Research has proved the Creators design of humans is 7.3% homosexual and bisexual, and 0.6% non sexual. Lies cause violence, murder, and a four times greater suicide rate of youth when they learn they are designed homosexual. IRS regulations seem to require that all non profits and religions giving false info on homosexuality, causing violence, murder, and suicide, aiding manslaughter of women by forced pregnancy, and aiding genocide by increasing populations must lose tax exempt status. They must all be charged with major crimes for causing suicide, violence, murder, and manslaughter of women and gays!

➤Educators are very guilty of acting as criminal coconspirators. They are the foundation of knowledge for all cultures. Fix GIGO problems.

➤The Sociology Cultural Psychology info and the Vested Interest System needs to be well known and fully understood. Everyone needs to know that only 4.6% of humans can even consider new info that conflicts with their mind set. This is a major factor in why we address

➤Back the creation of and offer programs for all leaders on GIGO'd data bases, on all of the actual costs and long term effects of using violence and war, and on the many ways actions against children, women, and men, homes, buildings, and ecological systems destroy cultures and humanities' future. This info is urgently needed. Teach all how cultures work or fail to work to meet the needs of children, adults, and ecologies, cost benefit analysis in terms of all elements of social systems and the long term effects of decisions and actions, why prevention is cheaper in terms of money, human costs, and societies viability. Fix all causes.

Examine why it's far more effective and cheaper to correct all of the actual interrelated basic causes of problems as an integrated system then it is to just work on symptoms for another ten thousand years and still keep the problems.

symptoms while ignoring the actual causes of problems. ➤➤➤Historians wrote 428 books on establishments shooting innovators and whistle blowers, today as in the past. We need to use education methods that offset this inherent designed in habit of humanity, as it's a key

factor in why people retain and act on info long
proven false. Bringing together the worlds'
geniuses in all fields that proved establishments
data wrong to integrate Geniuses discoveries and
info as a complete system will make this
reeducation project feasible. This program will
utilize all five of the ways people learn,

eliminate stress internalization, teach safety and
error reduction, and deal with all of the other
factors that interfere with learning, creativity,
long term planning, with world peace and long
term human survival.

Consideration of information and grants priority requires all of the information on our web.
This is a very bare outline of problems, causes, solutions, and how to apply science throughout our
world. We do know how to heal all mind body health problems, prevent most, heal all diseases, yet
we still ignore, refuse to examine the tremendous bodies of research in all fields. We can eliminate
all infections from our planet for less then \$5.00 per person with Radionic Devices. Major failures
in education, societies, and the major lack of understanding of science, sociology, and the many
lessons of history keep us from examining and using the many discoveries of geniuses in all fields.

Sociology research offers a firm foundation to enable developing successful programs to create
peaceful, successful, ecologically survivable cultures throughout small planet Earth.

Call me re references, evidence sources, and actions needed to apply geniuses info to prevent
and correct our many destructive problems in political systems, cultures, corporations and world.

Sincerely, Dr. Doug Hemstreet CEO Founder
