➤Geniuses & Scientists Agree That Geniuses Data Is Valid!

November 3, 2008

All of our corporations, educators, governments, and nonprofits are dealing with data bases that our geniuses’ discoveries in many fields have proven to consist of incomplete, unscientific, distorted, invalid, fallacious, and even quite false information. I propose that you collect and examine the evidence. Then aid in the creation of, and take workshops on, the forefront of science and human knowledge. This will enable you to base your decisions on accurate information in all fields. Military investigators failed to investigate their twenty three errors: failure to use the state of the art, health systems crimes, failures in safety training, error reduction,, contract errors, failure to require using All Eleven Elements of the New Scientific Method, plus. Correct cultural blind spots that suppress the forefront of science.

Geniuses identify 14 errors in formal education. These have aided the retention of cultural blind spots and continuation of humanities inherent habit of ignoring our geniuses discoveries and research for many generations. As a result, corporations, governments, educators, nonprofits, attorneys, courts, and even the Supreme Court are making decisions on the basis of information long

proven false. Our geniuses discoveries offer many still ignored opportunities for new products, services, cost reduction, businesses, and R & D using all 11 elements of a new scientific method required by quantum physics.

Our legal system, governments, educators, and corporations need accurate data for all decisions. Our culture is damaged by many false assumptions caused by

establishment brainwashing. Cultural conditioning is proven to be hypnotic in character.

We still ignore:

Safety studies showing 98% to 99.7% less accidents and errors in the study groups than the control groups. These have been in the literature and media since 1938.

I talked with Eight of the Attorneys who represented 981 MD's charged by the MD mafia with using any alternative medicine modalities. They told me that MD Allopathic Medicine Systems Violate Civil Rights and Human Rights. The MD war against Alternative Medicine started in 1838, and is reported in 212 books. These show fascism used to suppress science in health. The AMA was found guilty of conspiracy, restraint of trade, and antitrust in 1987. 11 MD groups settled out of court. The ongoing suppression of Holistic Health research has resulted in theft by deception, criminal malfeasance, and manslaughter. This ongoing crime against all people and budgets is killing people daily unnecessarily early, even boards, management, and their families. Holistic Health has been validated by 25 studies in 19 countries

studying species sexuality studied 450 species with a percentage homosexual. There have been many studies in the literature since 1947. Failure to tell the truth on this causes violence, murder, and 4 times more suicide in homosexual youth when they find out.. The Creator designed humanity 7.3% homosexual including 1% bisexual, 0.6% nonsexual, and 91% heterosexual. True of all species.

since 1975, proving that injuries, illnesses, vision, hearing, and birth defects can be healed. A Holistic Health drug rehabilitation system will permanently eliminate all addictions in 99%+ of people. Energy Healing has been proven effective on all mental and physical health problems by 42 university studies since 1959, with 53 studies since 1947 proving that Energy Healing eliminates all virus, bacteria, fungus, and parasites. Energy Medicine will heal all neurological problems and birth defects, healing 97% of kids and adults in special education programs and mental health facilities. These tools will heal all victims, perpetrators, sex offenders, and almost all other criminals. India has completely integrated it into the medical schools and is moving it into the health system. European countries are considering

Holistic Health integration. This will save 80% of health care dollars, with 37 studies finding 56% to 68% savings using Natural Healing System Diet Prevention. A sane culture would apply prevention to all problems. We have failed to do this with any of our major problems. When we correct all fourteen errors in formal education and eight in informal education we will have a sane society free of stress, violence, rape, crime, drugs, and able to work on the basic causes of all problems instead of just symptoms. Humanity's Survival is Badly Compromised Unless We Do this Now. Plan ahead for 100,000 years! Our educational systems are an ongoing crime. Our grads, not outsiders, created all of our problems. of innovation throughout history, today as in the past. Sociology proved only 4.6% of humanity can even consider any new to them info that disagrees with their mind set. Establishments and individuals given new info that requires changing their world view ignore it, discard it, distort it, hide it, or even create false information to buttress their position. Corporations, universities, researchers, security forces, courts, and governments need to be aware of this well researched data, and what's suppressed. The history of our USA and most countries is of continuing actions against most citizens to favor the powerful. This is covered in some sociology and history texts, but ignored.

Can all leaders in government, military, media, education and corporations that have been advised of these crimes be held legally accountable for aiding manslaughter, theft, and an ongoing massive waste of resources and lives?. Aiding Manslaughter is illegal for any in government.
