Dear Mr Soros,

Solutions In Science For R & D, Business, Societies, People, & Human Ecological Survival.

►I offer 23+ product manufacturing and research projects, and urgently needed education proposals. We present eleven + agendas, ►Whistle Blowing info that will save you money by addressing Cultural Blind Spots, reduce errors, accidents, health care costs, stop ongoing crimes against your budgets and people, eliminate stress permanently within ten hours, one day, for all victims of rape, war, loss, violence by using Imagery NLP, and increase creativity and the rate of invention. Examine product info that will aid research, solve problems, reduce costs, eliminate jet lag, and promote understanding of science. Physics explains Radionic Devices, Tower Devices, Pyradyne Inc devices, Medallions, and Why our Holographic SubSystem requires Eleven Elements in the New Scientific Method.. See Agriculture article. Add SA Web 190+ articles, summaries of geniuses info to your web & links. It is costly to ignore Physics proving we and all we deal with are an integrated part of a MultiDimensional Holographic Universe SubSystem. This requires Eleven Elements of the New Scientific Method required by Physics, and opens many doors for research and projects solving problems that can't be solved or even considered with a mechanistic world view.

I again ask your help in applying and researchers, nonprofits, business, and publicizing the forefront of science and governments are missing. This would enable knowledge info that media, educators, correcting the actual basic causes of our many

problems as integrated sub systems. Major goofs by government are being ignored. The info we gave DoD's Chief Of Staff Powell and handed to an FBI agent in 1992 and others since 1975 would have enabled preventing 9-11 and other attacks. All failed to address the training errors and omissions, and ignored, discounted, the ongoing MD fraud in health care. An FBI Senior Advisory Special Agent on Financial Crimes says he can't get them to listen to his ideas for improvement. He thinks I'm right, but says the FBI is unable to consider new to them info. Military, security, and police need advanced scientific Safety Training to save lives and equipment, increase intuitive awareness of danger, error, best action, improve effectiveness, and the Sociology Cultural Psych info on all cultures. All are ignored. The 9/11 commission failed to consider our info that the basic causes of failures are Institutional Blind Spots, the Vested Interest Syndrome habit of

psychologically discounting any info that conflicts with mind set. Habits of thinking in well learned patterns keep most institutions from considering new info that proves quite wrong what they "Absolutely Know to Be So". Science keeps doing this. Homeland Security is closed to research info they need to improve their effectiveness. Humans Inherent Designed In Habits of discounting and ignoring any new to them info that conflicts with their mind set, belief system caused these failures. This is explained by Sociology Cultural Psychology research, the Vested Interest Syndrome. We have Vested Interests making government decisions in most fields resulting in short and long term problems, lost opportunities, and actual disasters for children, adults, society, farm and wilderness ecologies, and Earth's total interrelated environments. The many Lessons of History and Herstory are still unlearned.

Serendipity Association is a 501c3 nonprofit. We seek funding for many nonprofit projects, and partners for profitable projects. The President's Health Committee 23 person Holistic Health study 1997 report found Holistic Health valid. I talked with them. They recommended "Integrate Holistic Health to enable reducing costs of MD health care 80%, save lives, suffering, healing and/or preventing all health problems in most people, saving billions". These failures aided our ignoring 32 studies of training that eliminates 98% to 99.7% of accidents and errors in study groups using Yoga, Tai Chi, Aikido, and Meditation. Back a long term World Peace project. When we correct all 22 education errors, omissions, and fantasies, we will have peaceful societies and world. When world leaders learn that the 1838 to present war against Alternative Medicine suppressed science and resulted in their being given very incorrect info on health care, healing, and prevention, correcting the worlds education systems and planning ahead for long term human ecological survival may be far more feasible.

► A Holistic Health Healing and Longevity Center will heal bodies, minds, attitudes, and emotions. This will heal all of the habits that lead leaders into theft, actions against peoples needs, ecological destruction, and using violence and war. We can create Holistic Health Centers that can work with all mind body health problems on a free if not

►Why ignore The Union of Concerned Scientists web report on Bush ordering 11 major government agencies to falsify research and other reports??? They did. Science mag editor wrote on this. Even HHS replaced birth control and condoms with abstinence for STD prevention and birth control. Experience and research proves that increases infections and pregnancies. we fail to reduce populations to less than two billion soon, and 500 million when we are out of oil--2100. ►The actual cost of spending money on credit has not been addressed. What are the total costs of spending money we don't have, while ignoring our many needs? Trade Imbalances result in offshore money buying US property, shifting an increasing percentage of USA ownership into foreign hands. Borrowed money increases this. The Cultural Psychology info on the Vested Interest System needs to be well known and fully understood. Everyone needs to know that only 4.6% of humans can even consider new to them info that conflicts with their mind set. We address symptoms while ignoring the actual causes of problems. We need to use educational methods that offset this inherent designed in habit of humanity, as it's a key factor in why people retain and act on info long proven false. Bringing together the worlds geniuses in all fields and integrating their info and discoveries as a system will make this reeducation project feasible. This program will cover all five of the ways people learn, correct stress internalization, and deal with all of the other factors that interfere with relationships, health, learning, creativity, plant animal balance, ecological systems, and human survival.
