Why Ignore Research Proving Errors & Crimes???

Geniuses Identify 35 Cultural Errors, Omissions, Fantasies In USA Culture. ➤ www.serendipityassn.org

Why Ignore Science--Cost Savings???

➤Physics proved everything is a Holographic SubSystem, Requiring 11 Elements of a New Scientific Method. ➤Radionic Devices Eliminate All Food Borne Pathogens.

➤Why was the USA charged with American Medical Genocide in 1984? ➤Why are nonprofits planning to charge the USA in the International Court, Geneva, with suppressing science in health care, taking five types of payments to put MD's in charge, suppressing ➤Alternative Medicine Holistic Health Healing, with savings of 70%-80%, 25 studies prove able to heal all problems, most people? Bionutrition saves 56%+.

Dear President, Governors, Legislators, Congress, All Officials, Educators, Media, Firms,

Challenge—Use Geniuses Info—Solve Problems, Stop Errors, & Cut Costs

➤Geniuses info will reduce costs and problems, yet is ignored for two to hundreds of generations. Societies make so many mistakes that historians wrote 428 books on establishments shooting Innovators and Whistle Blowers. This Still Happens. Cultural Conditioning is proven to be Hypnotic In Character. Leaders and “Experts” fail to note: The reason for laws and regulations is to protect people from thieves. Bypass these for power firms, then they stole from clients. Bypass these for mortgages, people were sold loans they couldn't possibly afford. Bound to reach 95% failures. All victims have a legal right to recovery of losses and damages from the criminals. Sold as stock, a major violation of the Deceptive Practices Act, costing \$6.4+ Trillion in losses. MD murderous war against Holistic Health costs lives, 70%-80% of MD costs. Geniuses Better Definitions of Problems and Best Solutions Are Inherent in Human Knowledge now in Sociology, Agriculture, ➤Bee Colony Collapse Solution, Disaster Solutions, Environment, Long Term Human Ecological Survival, Plant

Animal Balance, Toxin Removal, Education, Relationships, Marriages, Parenting, Best Ways To Raise Children, Safety, Holistic Health, Herbs, Vegetarian Diet Prevention, Energy Healing, Longevity, Weather Control, Violence, Rape, Crime, Prisons, Recidivism, the Many Lessons of History, and Prevention of problems and losses are still ignored. Sociology explains why we ignore the forefront of science and knowledge in all fields, even science. Use studies of how cultures work to aid everyone, or fail to work to meet needs of kids, women, men, farms, ecologies, and societies.

►►► Physics proved Earth, all we encounter, a Holographic MultiDimensional SubSystem of a Holographic Universe SubSystem by 1950's.

► Study Thomas Oliphant's "Utter Incompetents", Ego & Ideology In The Age Of Bush, actions of USA against people and culture. We borrow money to give away and to fight wars. Injures USA, one of 48+ books on errors, costs, and damages of Bush's reign.

Arrianna Huffington "Right Is Wrong" Huffington Post Editor. USA Hijacked by the Right, a very expensive damaging error.

► IF Geniuses info on Cultural Errors is used by politicians, users will win elections, and jail many who acted against citizens and USA.

Use SA Web Info. All US governments have acted against all citizens, but less against the wealthy. MD ongoing 1848 to present anti science, anti alternative medicine, anti health war injures and kills many people. Attorneys state "MD's are guilty of theft by deception, criminal malfeasance, and manslaughter".

AMA was proved guilty of conspiracy, restraint of trade, and anti trust in 1987, lost their appeal 1992. Call the eleven other MD associations that settled out of court. Study why MD's have added degrees in Naturopathic Medicine, Oriental Medicine, and studied herbs.

Violations of Human Rights, Civil Rights, First Amendment to US Constitution, and laws against promoting murder, suicide, and genocide are being violated often by media, educators, religions, and governments. The Deceptive Practices Act applies to all injurious actions in health, finance, safety + suppression by ignoring the forefront of science, even ignoring devices explained by Physicists in 86 Books.

►►► Radionic Devices eliminate all pests, viruses, bacteria, fungus and molds, made by seven firms, eliminating all pathogens in foods. Physics explains why they make all food supplies and food processing free of all bacteria, viruses, molds, fungus, and insects. USDA and HHS science illiteracy suppress many tools.

►Pyradyne Inc LA's Medallion Devices eliminate Jet Lag, Laser OmniOrb's have 163 times the energy of regular pyramids, which speed plant growth and healing 2-3 times. These

►Sociology studies proved that Cultural Conditioning is Hypnotic in Character.►This Explains Why Advertising Sells. Study the Vested Interest Syndrome. ►Only 4.6% of humans can even consider new info that conflicts with their inherent beliefs. True of all species. The 4.6% are the ones that explore new territories and new concepts. ►Mind Set, Beliefs, take precedence in human thinking and actions over any scientific research. ►SA web info came from Geniuses info in Libraries, often ignored for 2 to thousands of generations. David Callahan "The Moral Center" "The Cheating Culture" and many Geniuses report on how and why we make major errors, and fail to even attempt to correct any of them.

►We are still a Pre Scientific Culture in many ways, ignoring the forefront of science, physics, sociology, ►even 428 historian's books on the

►►The 2008 financial debacle was caused by key government and corporate management's inability to study and use the lessons of history on why regulations, rules, and law were created.

will aid scientific research. Demos will increase enrollment for science degrees ten times +. We can solve regeneration in seven years, \$90 M.

history of suppression of innovation and whistle blowers. We ignore weather change history and predictions of future climate disasters. "The Winds of Change" Eugene Linden 2006-past climate studies & future forecasts, one of 187+ books. ►Research proves future climates will be far worse then any past climates studied.

Regulations were created to stop theft and require safety in work places, homes, food, and medicine. No sane politician or staff would deregulate anything. Make Regulations and Laws much stronger. Improve safety, drugs, act to reduce thefts, toxins, poisoning. Mortgage failures were obvious. All getting these phony bound to fail loans were victims of crimes, violations of The Deceptive Act and other laws. They all have recourse for damages. Selling these as stock was criminal. Why no charges against these fast money thieves???

People act for greed, for emotional reasons, ignoring peoples and societies needs. ►Human wolves seek prey in all cultures. Education errors aid in creating wolves in USA and all

nations. No ethical educated person will propose deregulation. All messes in financial, health care, power firms, and education were predicted. History records this always happens without laws and regulations protecting people. All who warned government and media were discounted and ignored. I knew each of these actions were proven to cause disasters. ►► All involved violated deceptive practices and other laws. Media, educators, and leaders failed. Why? Greed and Good Old Boys habits. “Go Along with establishments, buddies, habits”. ► All ‘Best’ Universities goofed. Examine how business, science, graduate schools, all departments and education managements are unable to learn from many past very damaging debacles, still ignoring the forefront of science and research in many fields today. MBA’s flunked education on the many lessons of history, sociology, cause effect relationships, cost benefit analysis, ignoring why laws and regulations were created. None used 37+ studies of vegetarian diet health cost prevention to save 56%+. ►► Promotion Of Intellectual Sports is urgently needed to correct the inherent inability of leaders and citizens to note research proving major mismanagement and actual crimes. Many authors report on human errors. Examine “What We’ve Lost” Graydon Carter 2005, and

Thomas Oliphant/s “Utter Incompetents” 2008, Ego & Ideology in the Age Of Bush. ► As 981 MD’s were charged with using Alternative Medicine, even Herbs and BioNutrition, their 163+ attorneys studied MD crimes. ► Eight told me all establishments and states have winnable lawsuits against all MD systems, insurers, HHS, media, educators, and governments for their Ongoing Conspiracy, Restraint of Trade, Antitrust, Theft by Deception, Criminal Malfeasance, and Manslaughter. MD’s 1838 ongoing war against Alternative Medicine still suppresses science in health care. This is very Illegal and murderous, killing thousands daily, stealing property, hope, and lives. ► Courts found AMA guilty in 1987 of Conspiracy, Restraint of Trade, and Antitrust. AMA lost their appeal in 1992. Eleven other MD groups settled Chiropractic’s lawsuit out of court. ► Why ignore 37+ studies of Vegetarian Diet Prevention & Healing, gaining 56%-68% lower costs, 76%-83% less Illness??? “Prevention-What’s That?” is inherent in cultures and people. This error is very costly. Using All Alternative Medicine modalities integrated as Holistic Health Enables Healing All Problems, most people. Study 216+ books on the 1838 to now ongoing war against Alternative Medicine Sciences. Saves 80% of Costs. BioNutrition and

Herbs heal causes, work better for many problems than drugs, and at far lower cost. Bodies are part of Minds, are Holograms. Mind heals bodies. It is always best to fix the causes of problems. We can work on symptoms for eons and still have all the same problems.

► Add safety training to eliminate 98%-99.7% of accidents and errors, improving creativity, proved by 32 studies. Study why this is ignored by Governments, media, firms, and educators!!! Study groups did Yoga, Tai Chi, Meditation, and Aikido. Add Aura balancing-do even better. Why??? We are Holograms. Scientists explain why this works in 689 books, 86 by Physicists.

► Why let cultural blind spots, payoffs,

► Sociology proved that establishments, given any new info conflicting with beliefs, hide it, discard it, distort it, and create false info to buttress their belief system, mind set.

►► There are 428 books by Historians on how Establishments Shoot Innovators and Whistle Blowers, Even Today. Study how and why US governments violate US Constitution, First Amendment, and other laws in many fields.

►► Study why IRS and states tax illusionary profits in property sales. Currency Depreciation is Ignored! Real profit is calculated in terms of converting purchase price to today's dollar

arrogance, ignorance, greed, and the Good Old Boys Network keep us from applying the forefront of science and knowledge to all of our many problems, needs, and costs, even in health, safety, agriculture, and schools?

►► We Can Solve Bee Colony Collapse easily using Radionic Devices to eliminate farm poisons, and Tower Devices to improve Bee and crop health. ► We can Heal All Infections and AIDS world wide Now. Apply 3,700 years experience with Energy Healing, and 60+ years with Radionic Devices. Use All of Science.

►► Bees, farms, crops, people, and Earth are Holograms. Apply science or lose 63% of crops.

value. This can show actual loss, or minuscule profit. Fix this IRS, Congress, and state crime.

Educators, media, non profits, firms, and other groups ignore many major violations of law in 17+ areas. This is obvious in promoting and passing laws aiding religious ideas, biases, and false info. First Amendment Separation of Church and State makes laws and actions against abortion, homosexual marriage, and rapid population reduction very illegal. States that we can't pass any laws on religious issues. These are all religious agendas. God's design of 7.3% of people is gay, lesbian, with 0.8%

bisexual. Humans are 0.6% non sexual. Zoology reports studies of 450+ species by 1999 with homosexual elements in all species. Civil Rights and basic equal protection under law violations.

► Educators and Media ignore major research, 25 studies validating Holistic Health, the forefront of science, safety training, NLP stress removal, the New 11 Element Scientific Method physics requires, bionutrition, Zoology studies of 450 species with homosexuals, and 22 errors in education are all very costly and often very deadly. Stress reduces learning.

►►► There are Five Types of Payoffs today. Congress was paid cash under the table for 84+ years, 1881-1965, to put MD's in charge and suppress Alternative Health. The 212+ books on the war against Alternative Medicine show ongoing fraud. We still Suppress Science in Health. ► Attorneys report that MD systems are Guilty of Antitrust, Conspiracy, Restraint Of Trade, Theft By Deception, Criminal Malfeasance, and Manslaughter. ►► Talk with attorneys who represented 981 MD's charged for daring to use any Alternative Medicine tools, even Nutrition and Herbs. They were very often successful in healing "MD Incurable" problems, yet 483 lost their MD licences in spite of attorneys. Contact the American Holistic Medical Association and

all Alternative Medicine Associations.. MD's act as Pharmaceutical Shills, deliberately ignoring and suppressing major research on herbs, bionutrition, mind body connection, mind's ability to heal bodies, 42 studies on the Applied Physics of Energy Healing, 53 studies of Energy Healing removing viruses, bacteria, fungus, and molds, Radionic Devices proven ability to eliminate any pest, virus, bacteria, fungus, and mold from the target area using different frequencies for each item, and Tower Devices that make plants and animals healthier and calmer, reducing birth defects 98.4% in a 2500 acre area. MD System's ignore major research on safety error reduction training, research on the actual causes of mind body health problems, and Physics proof we are Holograms. Instrumentation show Acupuncture Points, Meridian Lines, and Chakras. Science requires researching actual causes of health or any problem. MD's don't We have had two methods of healing all infections proven valid for over fifty years by western scientists, 3,800+ years in eastern cultures. We can eliminate all AIDS and other infections from large areas now, yet USA suppresses Radionic research, and 53 studies proving that the Applied Physics of Energy Healing eliminates all infections. Why aid this murderous USDA, MD, HHS, and

Congress conspiracy? ►►► We can wipe out AIDS and all infections on Earth for less than \$5 a person using Radionic Devices and Tower Devices. Science works. ► SA web Agriculture article! Save farmers 17%-23% of budgets.

►► We Propose Using the Forefront of Science, Sociology, and the Many Lessons of History to Save Many Billions and Stop Crimes Against Babies, Children, Women, and Men.

►► Prison mental and physical Holistic Health Systems will save over 40% on costs, eliminate violence, enable reducing recidivism 99%. Holistic Health heals minds, healing rapists, pedophiles, criminal tendencies, stalkers, violent, destructive habits, brain damage, even neurological design errors. Use these tools to prevent violence and murder of ex wives or girl friends. Add safety training for guards, inmates, and management.

Government and corporate costs on mind and body health care will drop 60%+ using very complete Holistic Health Training, Prevention, Healing, & Insurance Systems, single payer, covering all babies, children, women, and men for 60%+ less than we pay now.. Holistic Health is proven valid by 25+ studies. These tools will heal all addictions, pharmaceuticals, hard drugs, food, obesity, failure, alcohol,

► MD's ongoing Crimes are killing many daily.

► Dr Liang, OMD, Herbs & Acupuncture Inc, missed one cancer case of 689 in 26 years, healed diabetes and other "MD Incurables".

tobacco, anger, fear, loss, withdrawal, +. Back demos of Holistic Health Drug & Alcohol Prevention & Rehabilitation Centers, Gain 99%+ success. Stop drug ads. Promoting pills to feel better increases the use of and addiction to tobacco, alcohol, pharmaceuticals, and hard drugs. ►► Programs will heal all addictions to drugs, alcohol, tobacco, food, and weight in 99%+ of addicts.

►► Humans and Governments are proven very gullible. Junk foods, food additives and dyes proven dangerous, even outlawed in other cultures, are still sold here. Allowing junk food, hydrogenated oils, candies, white flour, and white rice injures health, as all are causative agents in many illnesses, can cause birth defects, and kill babies, children, women, and men. White bread, white rice directly cause two illnesses, and are factors in many. White flour is missing 26 nutrients, white rice 19. Research proves both aid in causing many health problems. All anti nutrition promotions increase health problems and costs. Tax them heavily to

recover costs to taxpayers. Outlaw them for injuring and killing people!!! ➤Don't allow advertising and promotion of Junk Foods, anti health 'foods', and any tobacco and alcohol

products, even on labels. ➤Require label warnings twice + as large as names. Tax them all \$20+++ per unit to recover costs.

➤Cut Costs, Improve R & D, Save Lives, & Aid Business Development–Use All Of Science!

➤➤➤Myth Conceptions are a poor foundation for planning, decisions, research, and actions. The many fantasies in our culture and our world are very costly and extremely damaging to people, societies, and long term human ecological survival. Geniuses are almost always quite right, yet Humans Take Two to Hundreds of Generations, sometimes thousands, to Adopt New Info That Conflicts with Their Belief Systems, Their Mind Set. “Not Invented Here, I've Always Done it This Way. I Didn't Learn That as a Kid, I Know It Can't Be So, I Don't Need To Examine Evidence On Information I Know Is False”. This attitude affects 95.4% of people, even leaders and

educators, and resonates throughout human history, today as in the past.

➤➤➤Science applies to everything. Use all of it in all we do. Why continue to act in ways that injure and kill people? Why ignore American Holistic Medical Association, American Holistic Nurses Association, Oriental Medicine Association, American Holistic Veterinarian Association, Herbal Assn. Suppressing info drastically reduce long term human survival, increasingly in doubt. It's very urgent to take all best actions to improve chances of human ecology survival. ➤We are far past any possibility of comfortable human ecology survival.

➤➤Order Chief of Staff, Policy, Security, Criminal Justice, Police, Agriculture, Education, Health, Development, Disaster Systems, R & D, and Inspector General's Management to examine evidence and check references. Have them call me re best evidence sources in each field, references, and our summaries of Geniuses

info that will enable solving and preventing problems, reducing costs in all state operations. State and business development need Physics info, 11 Elements of the New Scientific Method, population reduction urgency, and the weather change info. ➤Call Re Evidence Sources, References, 53+ R & D projects, and

needed demonstrations of many science devices.

- ▶ Get Pyradyne Inc's Medallions to eliminate Jet Lag. ▶▶ Demo Laser OmniOrb's, with 163 times the energy of a standard pyramid. Demonstrate in libraries and schools, to increase understanding of and enrollment in science . These will aid research in Biology, Genetics, Agriculture, Electronics, Health, in all Sciences. They may aid Regeneration, easily solved in seven years, \$95 M. See Ag, Project articles.
- ▶ Standard Pyramids increase plant growth and healing three times. Keep razors in the Kings Chamber and they stay sharp. I buy new blades after 3 years as plastic ridges holding water wear. A very large pyramid keeps knives sharp.

Systems. This Results in Major Failures to Use Geniuses Info to Prevent or Correct Even Very Damaging Problems, or to Plan Ahead.

"Science??? We can't use that!"

►We received no intelligent responses to mail sent to Associations, Governors, Legislators, Congress. Only form letters or no response!!!

►►►►Are staffs ordered to avoid checking info proving errors, omissions, fantasies, and actual crimes? To Send Form Letters to Whistle Blowers? Very Odd. Why no interest in or ability to investigate reasonably obvious errors, omissions, fantasies, and major crimes??

Why did DoD's IG head fail to examine evidence we gave him? I talked with him, gave him web site. He and all IG's ignore major crimes and solutions for contract fraud and waste. These are taught in universities.

safety training. Spraying poisons kills farmers,

yet isn't needed since the 1957 final design of Radionic Devices. ► See Agriculture Article SA Web. Write mailbox@kerrcenter.com George Kuepper for his 52 Page Report on Radionic & Tower Devices, Seven+ Manufacturers. He's at Kerr Center For Sustainable Agriculture, 918-647-9123, Poteau OK 74953. Agriculture Departments Ignore 1984 USN Research, ATTRA, Seven+ Manufacturers, and 16,000 Farmers. All proved Radionic Devices effective. They eliminate any insect pest, virus, bacteria, fungus, or molds in the target area. They use a different frequency for each item. They use frequencies to increase soil fertility. No fertilizers or poisons needed saves lives and 17% to 23% of farm budgets, saves fossil fuels. Study 639 scientists books, 76 by Physicists, explaining how science applies to all we encounter. ► Science applies to all fields.

All scientists investigating Radionic Devices Validate their Ability To Eliminate Any Insect Pest, Virus, Bacteria, Fungus, Mold from the Target Area using different frequencies for each item. Radionics eliminates all infectious, AIDS! These eliminate any organisms spoiling foods, causing food poisoning, or pests. ► Use the computerized models. Radionics will save farmers 17% to 23% on farm costs, as No Poisons or Fertilizers Are Needed. This costly

suppression requires criminal investigations.

- My Granddad was killed by spraying crops.
- Radionic Devices drastically reduce farm's fuel use. Spraying crops and spreading fertilizer does requires fuel, tractors, and drivers.
- Tower Devices cover 2500 acres, make animals and plants healthier and calmer, reduce birth defects 98.4%. These will save us many billions on very costly injurious birth defects if placed throughout all human areas.

Both devices are only explained by Quantum Physics, so both are very ignored. "Everyone Knows" Physics Can't Be Right. UC Davis, California State Ag, MI State U, MIT, U of PA, Stanford U, USDA, many others, and Elected Officials Fail to Examine Scientifically Well Proven Info in Any Field. They all 'know better' than Geniuses and Scientists.

► Radionic Devices and Towers will save oil, people, and BEES. Why ignore science???

► USDA, State Agriculture, HHS, CDC, and DoD still ignore Appropriate Technology Transfer For Rural Areas, funded by USDA small farmers group. George Kuepper-Radionic expert, states that pesticides and fertilizers haven't been needed since Radionic and Tower Devices invention-1957 final design, produced by seven firms now. Read Acres USA articles on Radionic and Tower Devices. Let's get all

toxins out of our food supplies, reduce costs, improve health with all organic foods.

▶▶▶▶▶ We have advised many that these devices will stop Bee Colony Collapse. Bee colony failures are a major planet wide emergency. None listened. University Systems lack the ability to examine and use their own research, much less listen to Whistle Blowers.

Study 639+ books by scientists, 86+ by physicists, explaining the phenomena involved.

▶▶▶ We Urgently Need BEES. Save Bees.

We all need food to survive.

▶ With No Bees to pollinate agriculture crops, 64% of crops will disappear!!!

▶▶▶ Workshops on the forefront of science and knowledge are needed for all elected or hired officials, staffs, all educators, researchers, management, and media to enable breaking this inherent habit of discounting new info that disagrees with their habits of thinking.

Science keeps proving that “What We Absolutely Know Is So Is Often Quite Wrong”.

▶ US Constitution, First Amendment, Equal Rights, Ethics, and many laws are ignored and violated in failing to use safety training, integrate Holistic Health, and ignoring The First Amendment requires No Laws On Religious Issues, Separation of Church and State. Anti Abortion, Anti Gay Lesbian Marriage, and Anti

Population Reduction are religious issues. Religions teach false info on homosexuality, population, women, health+.

All lying on these issues are guilty of major crimes, manslaughter, genocide, and others.

▶ Religions are guilty of illegally promoting manslaughter of women. MD schools report it's ten times safer to have an abortion than to go thru pregnancy and childbirth, both dangerous to some women. Stop these deadly illegal actions. Stop lies!!! ▶▶ God Designed 7.3% of People Homosexual- gay, lesbian, bisexual, 0.06% nonsexual. Zoology studied 450 species with homosexuals, yet educators, media, and governments still lie about this.

▶ Laws promoting religious ideas of any nature are illegal. In these cases injurious, deadly, costly. Why allow these murderous criminal actions? Apply Constitutional Law, Civil Rights Law, and apply all USA Laws. Add Ethics.

▶▶ Enforce Separation of Church & State.

Anti abortion, anti birth control, and anti rapid population reduction result in genocide by starvation of One + Billion by 2100, Six Billion by 2140. The Bible was written on an Earth with very few people. “Husband the Earth”???

Overpopulation destroys ecologies, increases violence, war, and starves people.

Help stop the massive starvation humans face unless we act now to correct all of the causes of our avoidance of planning for very long term ecological and human survival. Overpopulation destroys Ecological Systems. Reduce people 93%. Study animal plant balance research, human plant animal ecology interrelationships, and crop damage done by weather changes.

Vegetarian Diets improve health and stamina.

Soy Bean protein sources use only 3% of the

► It is very illegal to pass laws against abortion, to restrict it in any way, to fail to teach that we have no fail proof birth control and must reduce populations 93% very rapidly, or starve. Women die in pregnancy and birth. Save lives.

► Bible's New Testament books were expanded two to four times, written, copied, and rewritten by men, not God, in very Homophobic Cultures. A Christian church will follow the actual teachings of Jesus. None do. Jesus taught healing, meditation, and reform of society.

►► Massive Misrepresentation by religions!

►►► It is illegal for any individual, religion, or any group to lie about homosexuality, or act against marriage for all peoples. This kills.

►► I've seen Zoology reports since 1948 that all species have homosexuals. Zoologists studied 450 species by 1999 with homosexual

water needed to produce animal protein.

►►► Lie to citizens and they will vote for any persistently lying cause, anti gay, anti abortion, anti women, anti children, pro war, anti nutrition, deregulation, and other actions resulting in murder of innocents, major theft of taxpayers money, manslaughter, and genocide.

► People are designed inherently very gullible. That's why ads sell.

populations. "Biological Exuberance" 1999, by Bruce Bagemihl, and AP 3/03 story report this.

►►► Humans are designed 7.3% homosexual by the Creator. Sociology has proven that this design has been extremely valuable in human cultures. People not tied up with child care had time to create inventions and find solutions that were needed. They have proven very valuable to all cultures and in other species. Cherish our 7.3% homosexual people, stop lies. Create Sane, Honest Societies. Bring charges against all involved in promoting violence, murder, a four times greater suicide rate when kids learn that God Designed Them Gay or Lesbian. Do their suicides prove it's a life style choice???

Lies Are Deadly. Be honest with kids, women, and men. Hold all involved in these crimes legally liable for manslaughter + injuries to life.

▶▶▶ All laws and actions against Alternative Medicine and the creation of Holistic Health systems are illegal, deadly, and very costly.

The wars against Alternative Medicine, Holistic Health must be stopped. Bring criminal action against all of the perpetrators, saving many lives, much suffering. Use 25 studies proving 70%-80% less costs, saving many billions. Collect massive damages from those involved: All MD Systems, Associations, MD Schools, HHS, health insurers, educators, media, key individuals, and governments are very guilty.

▶ All MD properties are forfeit for RICO.
 ▶ Bring charges of aiding and promoting manslaughter, torture, illegal imprisonment, with major theft by deception by MD based health care systems and schools. ▶ Stop using tax dollars to support unscientific, anti health, and very deadly MD schools. US Law holds discrimination against science in education, Medical Schools, and even in religions is illegal as it often injures and kills people. Stop crimes by all involved. Bring charges. ▶ Save many Lives, many Billions. Act AS IF people matter. MD's effectively brainwashed many societies.

▶▶▶ Flood and storm damage results in molds and mildew in structures. Radionic Devices will eliminate all mold, mildew, fungus, viruses, bacteria, and insect pests in all disaster areas.

This will save homes and wealth.

Rescue moldy buildings! Flooded buildings will grow molds. Use all of science in all areas.

All hospitals using Radionic Devices will be free of all infections, pests, fungus, molds, and mildew. Require all MD systems to use NLP Stress Elimination, Towers, Radionic Devices.

▶ Require safety training to almost eliminate medical errors. Safety training will increase the ability of kids and adults to avoid or survive disasters of any nature, as 32 studies find 98% to 99.7% Less Accidents and Errors in study groups over control groups. ▶ This Training Increases the Intuitive Awareness of Danger, Error, Best Action, and Creativity. People will be able to avoid danger and errors. Physics explains why this works. Require training for everyone in government. Reduce politicians errors. Study and prevent the causes of goofs.

Holistic Health will heal all injured survivors of these many disasters that will be far worse in future years and centuries. Ten thousand year floods, storms, and massive long droughts will increase in this century. Proven by increasing rates of glacier melting, Earth's increasing rate of warming, and Climate Change research. Mountain snows are disappearing rapidly. Droughts caused societies to disappear many times. Drought histories on all continents have

been studied. ►► Building reservoirs to hold nonexistent snow melt acts against citizens needs. Water from desalination plants is the only water solution for coastal areas. It's urgent to outlaw all lawns in any areas that will have droughts. Publicize three research projects on developing drought proof ground covers. Reduce people rapidly. ►► Plan for ocean levels rising 10' by 2140, 20' by 2290. Study how this affects cities, living space, crops, and all agriculture land. The rate of increase in the melting of glacier and polar ice is far greater than experts predicted only a few years ago. Ice Melting rates increase yearly.

►►► We ignore research on past droughts in Americas and world. The pattern of droughts in USA and SW states will be far worse this century. Ten to thirty+ year droughts happened often in the past. Only 16,000 years ago there were 400 year droughts on three continents. Future droughts will be far worse.

► The past is prologue. Let's learn from history to save lives and improve human survivability.

► Seacoast states must build massive desalinization plants, using all solar, tidal, water, and wind power to pump water. Plan ahead.

Weather change research shows bad weather for crops will get much worse for ten to thirty thousand years. It will take 500,000+ years for

Earth to recover from human stupidity, only IF human greed and arrogance is healed. Feasible?

► Business Systems Industrial Engineering, Taught at Universities, Saves \$\$\$, yet is still ignored by most in government, except used by US Post Office since 1964. Why? This will reduce costs about 5% to 7%, even more in inefficient systems. Lots of those.

► Develop more new and effective businesses. Use all of today's sciences. PLAN AHEAD.

►►► Science Today Requires Eleven Elements of a New Scientific Method. Physics Proved Earth, Ecology, People Are Completely Integrated MultiDimensional Holographic SubSystems of our MultiDimensional Holographic Universe SubSystem.

►► It's frequency is 438.69783291 cycles per nanosecond. Physics applies to everything, People, Plants, Earth, and Human Survival.

►►► A Nobel Prize Winning Physicist writes "Everything is Mind Stuff". Many researchers know this is correct. Applying the forefront of all of today's sciences as an integrated system to all research problems and projects will enable success in solving many science and device development projects that can't even be considered when we insist on the illusions that we and Earth are Mechanistic Systems. Physics proved this false since 1963. ► Both we, Earth,

plants, and weather are Completely Integrated MultiDimensional Holographic SubSystems of our MultiDimensional Holographic Universe SubSystem. This applies to R & D, and to everything we encounter: Earth, weather, plants, animals, insects, and even people.

►► Science today can solve weather and climate control. Scientific research validates the tools and experiences that make this possible.

►►► We seek partners and/or funds for 107+ R & D projects, using Pyradyne's Laser OmniOrb's for Physics demonstrations to increase enrollment in science and improve research, for education reform, Holistic Health Demonstrations and Implementation. We seek honest states that accept science for government, education, safety, health, firms, farms, and projects. Physics Has Proven Completely Right, and is involved in all aspects of life. We can solve weather control, war, all problems.

►►►►► Instrumentation shows Acupuncture Points, Meridian Lines, and Seven Chakras. Kirilian photography takes photos of Auras. People see Auras, 1% of adults, 5% of kids. Studies find 63% can learn to see Auras clearly. People are Holograms, not mechanistic devices.

► Safety is very important. Educators fail to teach safety--Why???. All Ignore Police reports "90% hit after dark wear dark clothes,

invisible on bike or crossing streets". Two years of Aikido and small girls or women can't be attacked successfully by five men. Use Yoga, Tai Chi, Meditation, and Aikido Training, as 32 Studies show Errors and Accidents reduce 98% -99.7%, Increasing Intuitive Awareness of Best Actions, Errors, Dangers, Creativity, and Eliminating Stress! ► Physics explains why.

I've seen safety studies reported in journals and media since 1938. Training Increases Creativity and the Rates of Invention, improving R & D, while reducing errors. ► Research costs will drop 5%+. Rates of invention will increase. Stress Internalization Is Eliminated. ► People are able to avoid danger, error, and omissions. Training protects girls and women. Groups did Yoga, Tai Chi, Meditation, and Aikido to increase effectiveness. ► Correct life energy field Aura distortions to improve even more for all in Homeland Security, FBI, CIA, DoD, Police, NASA, ATC, Pilots, Drivers, Workers, all involved with dangerous jobs, all children and adults in this increasingly dangerous world.

► Apply this in all education systems as part of correcting 14 errors in Formal Ed. This will gain considerable improvement in learning, increase abilities to make best decisions in life, work, and eliminate most errors, bullying, violence, rape, crime, murder. ► Creativity

Enhancement Training will increase rates of invention considerably, is often taught to artists and musicians, yet it's still ignored for science by universities, corporations, and researchers.

Stress internalization interferes with learning, and is proven to be a major factor in causing errors, accidents, sports injuries, and violence.

The National Safety Council reports "No One Has An Accident By Accident". ➤Stress is proven a major element in causing illness. No one gets ill by accident. Fix All Problem Causes!

➤➤➤With only two years of Aikido small women and small girls can't be successfully attacked by five men. They can avoid danger.

➤Let's rape proof women and girls. Do It.

➤➤Police report that 90% hit after dark are in dark clothes. They can't be seen riding bikes, crossing streets. ➤No Safety Training for Kids, Drivers, ATC, or Security People, Police, Sheriffs, FBI, CIA, Homeland Security, State, DoD +. Let's get blood off highways, cars, bikes, and planes, reducing costs by billions.

➤Use all Five tools to drastically reduce errors and accidents: Yoga, Tai Chi, Meditation, Aikido. Improve results. Add Energy Healing to clear Chakra and Aura distortions. Add other tools to do even better. This will aid security, police, DoD, truckers, drivers, bicyclists, pilots, ATC, children, parents, business, and NASA.

There are Ten Ways to Get Kids, Parents, Teachers, Justice, Victims, and Everyone Free of Stress Internalization. NeuroLinguistic Programming Imagery is Taught at Kennedy U in Orinda CA. This Permanently Eliminates Stress in Three to Ten Hours, One Long Day, for Victims of Rape, War, Loss, Crime, Fire, Accidents, of any traumatic event. Why? Traumatic events create hypnotic programs in the minds of 92% of victims. ➤Counseling doesn't work on hypnotic programs.

Amateurs can use Imagery book info to work with each other to Eliminate Stress. Most Won't Need Professionals. I've worked with Rape Victims. One healed in seven hours, one day, after six years of therapists didn't help her.

➤One hour to teach a bright age 12 girl how to use Imagery. She healed herself completely in only two days of her six years of continuous sadness since mom died, using "Imagineering For Health" by Serge King as a workbook. Use these books. Why do we fail kids so badly?

➤➤Persistence reduces total time. More consecutive time speeds healing of minds and bodies, taking less total time. ➤➤Counseling Does Not Work on the Hypnotic Programs Created in the Minds of 92% of Victims by Traumatic Events. Use 5-10 hours of

NeuroLinguistic Programming Imagery which will dehypnotize the minds traumas rapidly. Add Energy Healing for resistant cases. Eight hours of both each day until healed takes less total time for healing all mind body problems.

- ▶ Bodies are proven to be part of Minds, naught but energy, a Hologram. All Sadness, Fears, Loss, Hurts, and Anger habits heal permanently.
- ▶▶ Stress Internalization Is A Major Factor in Illness, Learning Problems, Failures, Violence, Rape, Crime. Stress is the Major Factor in Accidents and Injuries. ▶ Use all Ten Ways to get kids and adults completely free of stress. Imagery NLP is fastest, resulting in permanently stress free people in one long day. Amateurs can use Imagery NLP books to work with each other successfully to heal traumas in minds and bodies. Schools will be far more effective when they Use All Of Science. None of them do. Educators ignore the implications of physics, sociology, and the many lessons of history.

Television is an educational tool that is hypnotic in character, affecting actions and thinking at deep levels. TV and media act against our society in many ways, teach violence, non thinking lives, and actions against society and environment. Read the studies, act to stop these crimes that put down women, relationships, sexualize girls and women, leading to massive mistreatment of both, destroying effective relationships with people, and ignore long term human and environmental

Vegetarian Diet Prevention saves 56%-68%.

Heal or prevent all mind body problems!!!

Add safety and health safety training for kids and adults. Require through education in personal growth and development as an effective person, an understanding of the damage done by errors, greed, violence, rape, overpopulation, lies, and ignorance, how relationships work and grow, or fail to prosper in marriage and life, baby + child care, why babies and children need 20 years of love, and how to raise kids to be effective, caring, and survivable people on a very badly damaged Earth. This requires redesigning societies.

►Nine Nonviolent Cultures were studied. We can create nonviolent societies on Earth.

basic needs and survival.

Long term damage to people and society is created by many greedy, arrogant, short sighted actions. Most are reasonably obvious. Substandard housing, neighborhoods lacking parks, woodlands, areas for young kids and teens to explore and learn about themselves, others, making friends, and learning about all of the interrelationships and choices in their world. Tools for building communities are seldom used. ►►Why a complete failure to

teach how families work or fail, all interrelationships, marriage, active listening, how to create happy, effective, lasting relationships, and how to raise children that will do well in all areas of life? ► Why no safety, health, bionutrition training for kids, teens, parents??? Why ignore research on creating successful, survivable societies?

► We fail to even try to start correcting the 14 errors, omissions, and fantasies in formal education, much less the eight in informal education. The impact of and damage done by informal education has been studied, but is seldom addressed. Sociology has studied this in all cultures, even ours. TV programs act against women, children, babies, and thinking. This must be reformed on an emergency basis. I read fifty three books on education, studied most

sciences in dealing with firms doing R & D in science and engineering, and read widely in sociology and history. Note that what's worked or what failed to work in any human culture today and throughout past history applies now. We are the same humans throughout history.

IF It Worked There or Then, It Will Probably Work Here and Now. If It Didn't Work There or Then, It Won't Work Now. Same People.

► When humans try an approach that doesn't work, they often "Fix" it by doing more of what didn't work. Study Research and Reports in History and Sociology studies.

Require maximum solar roofs and solar areas, straw bale construction or better, triple glazed windows, fireproof construction with automatic window shutters with an independent power supply. Shutters are a must for fire and storm proofing. Require ergonomic design to maximize habitably and gain minimum upkeep. Plan for no oil by 2100, and vastly increased

fuel, water, and food prices throughout this century. Require drought proof landscaping, no watering of grasses in any area short on water, or with droughts forecast. Use the world's research on drought proof ground covers. New Mexico started research on drought proof ground covers in 1968. Build wind farms and water power. Require all new autos to get 50 to

60 mpg within five years, and 70 mpg very soon. Outlaw all low mpg car production now. Cutoff at 35 mpg 2010, 40 mpg 2011, 45 mpg 2012, 50 mpg 2014, 70 mpg 2020. Allow no truck type vehicles to be sold to any who can't prove an actual need for a heavy vehicle. Cars, vans, pickups last for many years. Hybrid all. CO₂ will destroy phytoplankton. Then no fish.

►► Any car made now will drive forty to sixty+ years. Earth can't afford any car that can't get 50 to 100 mpg. Require all trucks to be optimized with hybrid, electric, or better, add solar when feasible. Require optimum Aerodynamic Design for all highway and rail vehicles. Allow No Energy Credits. We can't afford any pollution. All firms must meet the most effective non polluting anti global

► Make it a severe felony to misrepresent the size of any rental or sale property, and the amount of fuel needed to heat or cool it. These costs are rising rapidly. Many tenants are lied to on apartment, condo, house, and sometimes commercial property size. Require that all rental and sale agreements include size, be guaranteed free from water leakage, reasonably wind and weather proof, wired well, and fully habitable. Require state wide, ideally USA wide optimum

warming standards. Pollution injures and kills people, and damages crops. Criminalize all anti people, anti health, anti human survival, any damaging corporate and financial shenanigans. Increase penalties for violations of the Deceptive Practice Act of any nature, and for any action by government elected or hired officials that damage people in any way. Make this far worse for prosecutors, officers, political candidates, For Any Breach of the Public Trust. We can't get honest effective government until all elected and hired officials and their staffs are held completely and legally responsible for all damage that due prudence would have avoided. They are legally liable for aiding manslaughter in many ways now. Requiring Complete Legal Responsibility Is Very Urgent.

construction codes to reduce fuel use, costs, and increase usable life span with both minimal upkeep and fuel use. Require fire proof, ergonomic designs, and all low voltage switches and wiring. Require phone jacks in all rooms, near all corners. Make unwanted calls to handicapped a felony. Collect very heavy fines for any violation of the Do Not Call registry. Add health category to registry. Split fines with victims?? Require all to gain current permission

to call any past or present customer. Include elections, surveys, pharmacies, and all sales.

A USA optimum building code for all states will reduce construction costs more, 4%-7%.

➤ Reduce populations 93% on an emergency basis to enable human survival with Weather Changes Reducing Viable Farmland and Crops, with No Oil for Agriculture, All gone by 2100. Improve all elements of security and crime fighting effectiveness. Require Health Safety Training, and all training that reduces violence, crime, rape, sports injuries, and accidents.

➤➤ Health Safety Training will reduce illnesses 76% to 83%. It's urgent to use BioNutrition. Teach how and why Vegetarian Diet Prevention and Healing reduces illnesses 76% to 83%, MD 'health' illness costs 56%-68%.

➤ Soy bean protein takes 1/32 as much water to produce as meat, is a much better nutritional balance, and has anti cancer properties. We ignore 37+ studies and research on vegetarian experience and cultures. Our biological design is vegetarian. We aren't designed as meat eaters. We lack predators teeth and the digestive system design needed to digest meats..

➤➤ We promote illness by promoting and selling junk foods, candy, and non food products. Get store candy and all junk foods out

of kids sight and reach. Tax all sugared and anti nutrition cereals. Require that grains and bulk cereals be sold in bins. Outlaw resource waste of any nature. ➤ Stop all Vested Interests from Gaming the System. ➤ Tax \$20.00 per pound on white flour, white rice, sugar, hydrogenated oils, on all anti health 'food' and drinks. Outlaw bottled water, sell carbon water filters near cost. We can't afford to use fuels to bottle and truck water. Stop all advertising and promotion for alcohol, tobacco, junk foods, non foods, and candy, Including Labels. Require warnings on labels and ads 2+ times larger then brand names and copy. Tax proven poisons 100+ times higher to pay for damage to people, societies, and budgets. Cease allowing exports or imports of alcohol, tobacco, or any product that damages health, ➤ Plan Ahead in All Decisions for Far Less Crops, for major droughts, floods, for No Oil for Agriculture even before 2100!!! Conserve all natural resources. No More Exist. ➤ "They" aren't making any more oil, farm land, drinking water, or other resources. Study why leaders ignore this!!! Stop building on farm land. Require all firms doing business in USA, or located here, to act fully ethically and be honest, to not act against people in any way here, or in any other nation. Require that any

product ruled dangerous here can't be sold anywhere, or if products are found dangerous elsewhere, they can't be sold here.

People lack potable water—55.6% now.

▶▶▶▶▶ Overpopulation is racial suicide, very deadly to both ecologies and people. Promoting actions that will kill billions is illegal. Promoting violence, murder, suicide and genocide is not religious. Why do this to babies, children, women, and men??? Act now to stop all of these crimes against people and human survival. Humanity's Geniuses discoveries, problem definitions, and solutions are in the world's libraries, yet leaders and educators have failed to study Geniuses info. The info on SA's web page came from libraries, from the world's literature. I studied Geniuses info over a life time. Most of this is fairly obvious. Examine social costs and financial damage to people and society by uneven trade balances. Our citizens lose work because offshore wages are very low, with no safety, health care, or good working conditions required. This results in loss of jobs, and USA property being bought by offshore investors and nations. This Is Very Anti Fair Trade. Why ignore the major damage done to USA by spending borrowed money on gifts to other nations and on war??? We need to invest

in solving our many problems, yet are still failing to apply science, and sociology with the wisdom needed to correct all underlying causes of problems. ▶▶▶ We Need Foreign Aid!

▶▶▶ Act Ethically and Honestly. Right these tremendous injustices now. Why increase suffering??? ▶▶▶ Why ignore scientifically accurate definitions of problems, how the forefront of science as an integrated system offers fully scientific solutions, and lower costs.??? Fix the actual causes of all problems.

Require the safety training for all couples, parents, girls, boys, bicyclists, drivers licensing, pilots, ATC, DoD, men, and women. Require all educators to teach honestly. Make false, damaging info by educators, associations, school boards, and all boards of directors a major felony. Require through education on Biological Nutrition, how foods are grown and distributed, the labor, materials, all individual requirements, costs, society elements, farm costs, and social costs involved. All need a full understanding of farmer's risks and the limited benefits to, and extreme losses of farmers. Stop subsidizing wealthy, corporate type farms. Require honesty by all in government involved with agriculture and food. Bring charges against all in USDA and other government groups

involved in crimes against citizens and farmers. USDA spent millions of the small farmer division's money to develop a tomato picker costing a farmer \$100,000.

➤USDA's management and staff have misused much taxpayers money. They still continue to suppress info on Radionic and Tower devices, safety info 98%-99.7% less accidents, and

much else. ➤Farms are the most dangerous work places, yet they ignore 32 studies of safety training. Plan ahead for needs of future crops and ecologies with higher ocean levels and vast weather changes, increasingly worse then any of the past centuries we have information on, both human records and eons of geological records.
