Dear Board, All Committees, and Officers,

Examine internal mismanagement in failing to notice and apply the forefront of science and knowledge to business and employees. Study why officials & media aided major crimes in mortgage stock and power deregulation swindles. Even MIT, Harvard, and Yale ignore errors, omissions, fantasies, fraud prevention. Educators ignore Physics-Matter is a Holographic Multi Dimensional SubSystem, and the many lessons of history and herstory. ➤Historians wrote 428 books about establishments shooting innovators, whistle blowers, today as throughout history.

Proposal-Apply Wisdom-Correct 35 Costly Cultural Errors—Aid Safety, Kids, Women, Families

➤➤Serendipity Association is the only non profit being designed to address and correct all of Humanities's and Earth's problems as completely interrelated integrated systems using Science.

Whistle Blowing & Grant Proposals.

We seek grants to address the many actual basic causes of problems as parts of a system that is completely interrelated, integrated. Many projects need to be created to correct the 35 cultural

errors, omissions, and fantasies geniuses identify in USA. It is far more effective and less expensive to address and correct all of the actual basic interrelated causes of cultural problems. Grads ignore cause effect relationships, cost benefit analysis, long term planning, systems interrelationships, and that science keeps proving wrong what we absolutely know is so.

►► We obviously need grants and staff to create professional grant proposals for each project.

► Please advise receipt and action. Add evidence report, reference check, and disseminate to key people, all committee members. Challenge--Apply geniuses info. Improve firms, cultures.

Myth Conceptions are poor foundations for planning, research, decisions, and actions. We invite you to use the forefront of science and human knowledge in all aspects of your business and life. This will enable you to eliminate stress, reduce costs, increase effectiveness, aid people, improve safety, and reduce health costs 80%. Call me Re: Evidence Sources, References, Science and Physics Info. Physics says everything is Mind Stuff, MultiDimensional Holographic SubSystems. Examine the implications of politicians, corporations, and media failing to even consider that the world's oil production will decrease yearly from 2034, with all oil gone before 2100. Examine the lessons of history, regulation, and deceptive practices. There are five types of payoffs. All are still used. Donors and foundations will improve their effectiveness and cultural impact by requiring non profits to use geniuses info. Address the actual causes of all problems, not symptoms, for the first time in history. ► Aid our nonprofit's many projects for using all of science and knowledge to solve and prevent the actual basic causes of all problems as an interrelated system and reform all aspects of education. This will enable reversing environmental destruction. Help Create World Health=World Peace Projects.

Help Rescue Our Badly Injured World

Summaries Of 83+ Research and Education Projects Needing Grant Aid, Non Profit Development Aid, business partners for R & D for profit projects that will aid nonprofit projects, and Recommendations for Our Board and Proposals. Can you, staff, and friends aid in finding us funding for the demonstration and research proposals our country and world needs?

► Whistle Blowing! WHAT IF Our Geniuses Are Right?

An honest Evaluation of these summaries of geniuses research requires reading key documents.

► A Basic Cultural Urgent Problems, GIGO Data Bases, Education, Libraries, Media NYT, Fix, Media Ethics, Scientific Method, Agriculture, Health Enhancement References, Govt, Safety, Security, ACLU, Peace, Risk + Examine Web's 190+ articles. Check evidence, references.

► Radionic Devices Offer Proven Solutions to BioWarfare, Agriculture, Education, Research.

Examine and apply Physics proof that Reality Is a MultiDimensional Holographic SubSystem.

Check References. Examine Evidence. Help fix our badly broken world.

Physics explains why these projects are feasible. Key projects urgently needing funding are:

Biowarfare Radionic device research to get world wide coverage from a single location. Improve range for forests and farms. Project to advise all farmers and building management that Radionic Devices, proven effective by ATTRA, 16,000+ farmers, and USN research, remove any insect pest, virus, bacteria, mold, or fungus from the target area and improve soil fertility. Radionic Devices use different frequencies for each item. They Are Ignored, as they are only explainable in terms of Quantum Physics.

► Holistic Health System optimization and demonstration of Holistic Healing of all mind body problems.

►► Develop new energy sources from the underlying structure of matter within 60 years, \$1.8 Trillion. Physics shows this is

feasible in our Holographic SubSystem.

Utilization and improvement of top secret military research on psychic phenomena. DoD spent \$195+ million thru 2001. Private sector research proved that a group in meditation can influence the mind of another-any distance-Distant Viewing's valid. Use proven yet ignored info to improve security drastically, Duke U + other research.

Physics and research projects indicate we can create a successful weather control project. This is very urgent.

World Peace World Health Human Survival Project. ► Genetic Research to Redesign Coral. Ocean warming kills it. ► Redesign Phytoplankton to survive increasing CO₂ in oceans which will kill off this food chain base. This loss will eliminate all fish by 2370.

Genetic design of Food Plants for greater nutrition. Improve crop survival in drought, saline soils, hot, cold, very wet conditions. Population reduction 93% to 500 million to avoid starving billions, as weather change studies prove that's all Earth can support with No Oil for Farms. Stop increasing rates of ecological destruction. overpopulation of our very small planet Earth causes Starvation and ecological destruction. Ecologies can't support crops, water needs, habitats needed for one billion very soon. We're far past any chance of comfortable human survival.

Weather and Fire control. Physics research and peoples experience indicate that both are feasible. Planetary weather disasters may be reversible working with Holographic Earth using all of science 2009.

Safety, Error Reduction, and Holistic Health training for all educators, leaders, drivers, kids, parents, everyone. We ignore 32 study groups doing Yoga, Tai Chi, Aikido and Meditation finding accidents and errors drop 98%-99.7%, reduces violence and crime, increases intuitive awareness of best action, error, danger, so people avoid danger.

►URGENT! Reform education's 22

errors, omissions, and fantasies, 14 in formal Ed, 8 in informal Ed, media, and TV. Use all five ways people learn. Need far more emphasis on Experiential Learning, movement, and ten ways to get and stay stress free. NeuroLinguistic Programming Imagery gets permanent elimination of stress internalization in three-ten hours, one day, improving teaching, learning, and eliminating stress disability retirement, reducing illness and accidents. Stress free people do better.

►►Teach all Eleven Elements of the New Scientific Method, the implications of being part of a MultiDimensional Holographic planet and universe, why we still ignore research 1907-1963-2000 proving the concept of a mechanistic universe false, lack an understanding of the forefront of science, knowledge, history, sociology, and how this affects outcomes of decisions and actions.

►No founder of a religion promoted environmental destruction, overpopulation, and starvation, yet today major religions do this. Teach the lessons of history and herstory, and the implications of Sociology Cultural Psychology Research proving only 4.6% of humans can consider new info that

conflicts with their mind set, their world view. ►It's Costly to Ignore Important Info.

►Zoologists studied over 450 species with homosexuals. Failure to teach this causes violence, murder, and a four times higher suicide rate when youth learn that God designed them homosexual, 7.3% of humans gay, lesbian, Bisexual. It's illegal under Civil Rights laws and Constitution's First Amendment not to allow gay lesbian marriage. Non profits and religions lying about this must lose their tax exemptions under IRS regulations for violating Constitutional requirements, protections, and Civil Rights. They are guilty of major crimes that are deadly to many. Prosecute all giving false info on health, sexuality, safety and nutrition. Lies kill people. Junk food kills.

Theft by deception, criminal malfeasance, and manslaughter laws apply.

We teach as if it must be true information that's long been proven quite false. Is this a Flat Earth ideas approach?

►►We teach sanitized history. We fail to teach the actions of our government against children and adults throughout it's history and today. We have government by

Vested Interests pressures, distortions, greed, and arrogance, aiding wealthy, failing to represent the actual needs of people and ecological systems. Urgent-remove all private money from elections, and learn all of the lessons of history, sociology, weather changes, cause effect relationships, and science. Require tests for all in politics.

Bush and Ashcroft used and proposed similar methods and actions to those Hitler used to take over Germany/s government, yet this has been ignored. Why? Few know the lessons of history.

►We seek funds and recommendations for our board, advisory board, volunteers, staff, & director.

Can you help is find donors and foundations for grants? A letter verifying that our evidence sources and references prove that this info is accurate would help open minds that assume that major establishments can't possible make major errors. Most people assume that what they learned as children is the way the world actually is. Sociology, Science, and History have repeatedly proven that this illusion is extremely wrong. GIGO is costly in lives

and money.

You will need all of SA's web info to evaluate the depth and breadth of humanities' tremendous errors, omissions, and fantasies.

A complete and accurate data base is needed

to make the best decisions and actions for all people and environments. Let's create a survivable future on Earth..

Science & Systems Research To The Rescue!

Our geniuses research, discoveries, and info in many fields keep proving establishments wrong. Geniuses do this often. Examine the many GIGO'd data bases in USA and all cultures.

Apply eleven elements of the new scientific method and info on systems research. Plan ahead.

IF you check references and examine evidence this time, this info will enable applying all of the lessons of science, history, cultural and social psychology to prevent and solve problems. Our governments act illegally against children, women, men, ecology, and science throughout history and today.

Humans continue to destroy Earth's environment, and wipe out our increasingly

Perhaps 500 million if we do everything right. This is the most urgent emergency of the eight major disasters facing humanity. Plan ahead??? Or starve billions very soon. ►We are at the end of 270 years of exceptional crop weather. Reduce populations 93% rapidly.

►Anti abortion is genocide. Anti abortion anti birth control anti population control killed half of the 20 million starved since 1884, and will kill many billions in the future.

►Anti abortion is manslaughter. Women

We've done even worse in many fields. We ignore the history of the war against Alternative Medicine reported in 212+ books. ►Congress was paid under the table for 82 years to create the anti trust medical system that wastes 80% of our health care dollars and kills people unnecessarily early. AMA was found Guilty, 1987, of Anti Trust, Restraint of Trade, and Conspiracy, 11 other MD associations settled out of court.

Consider the implications of Paradigm Shifts, the 46 scientific discoveries that created them, and how science proved that we and Earth are a MultiDimensional Holographic SubSystem. The President's Health Committee 23 person study and all 25 studies find Holistic Health, Energy Medicine, Herbal Medicine, and Minds Effect on Bodies Valid. Germany has the 25th study. saving lives, 80%+ of health care dollars, and healing stress, injuries, illness, and most people with birth defects. Princess Diana and Kennedy died because we fail to require drug and alcohol free drivers, and safety training for pilots and drivers that is proven by 32 studies to drop accidents and errors for jobs and life 98% to 99.7%. These methods are reported since 1938 in university studies, journals, books, and newspapers. Why ignore NeuroLinguistic Programming research taught in universities? This is the fastest of ten proven methods to permanently eliminate stress and stay stress and accident free. Victims, women, children, men, veterans, DoD, public safety, pilots, ATC, and security forces all need this info. There are tools that eliminate stress in infants and heal all birth traumas, genetic flaws, and birth defects.

whistle blowing on these crimes and errors.

Be the leader. Help make this well proven training that is able to almost eliminate accidents and errors mandatory for all drivers, bicyclists, and all students everywhere. Fund the optimization of training programs to eliminate accidents, errors, and stress. Use to increase creativity, the rate of invention, and eliminate errors to improve our culture and world. Ideally include this in early childhood education, marriage, and parenting training. Let's require this for graduation from any grade and school. These training methods permanently eliminate the internalization of stress, increasing creativity, invention rates, awareness of error, of best action, and of danger.▶ Training is Validated by 206+ studies. This training improves R & D, and will reduce divorces, violence, rape, drugs, and crime, as well as errors and accidents on the job and in life. People that don't internalize stress tend to be non violent, more creative, and make better decisions on the job and in life. Relationships improve.

manufacturers, insurers, media, governments, and consumer groups to help. Tell them that the evidence is conclusive, that references check in each of these areas. Cultural blind spots are caused by inherent design of people, and by Cultural Conditioning, proven to be very hypnotic in character. That's why Ads sell. Sociology Cultural Psychology proved that only 4.6% of humans can even consider new to them info conflicting with their Mind Set, an inherent Vested Interest Syndrome designed in to almost all humans!

soon, with production decreasing from 2034 on, to require all high mpg vehicles, 60+ mpg

diesels and hybrids at 70+ mpg. Require the new low pollution diesels. Oil imports injure balance of trade in most countries, reducing cultural viability by reducing money available for retirement, health, education, business, social, cultural problem solving, R & D, and prevention. Gas guzzlers add more pollution, increase greenhouse effects, act against all people, cultures, and ecological Systems. No one's making more oil. Going, going, gone!!! All low mpg vehicles made now will be driven for forty to sixty years. Why damage and people by allowing this crime???

Back genetic research to develop plants that can grow in deserts to create oil and gas. This is urgent now. We will need these for lubrication. We lack the farm land and weather to grow fuel. instead of food crops unless we can do this in ocean ponds, deserts.

► Help initiate, design, and back a major Oak Ridge type project to develop new power sources from the underlying structure of matter. Articles in scientific journals about today's physics shows this is feasible. We can solve this within \$1.8 trillion and sixty years. Many new discoveries and spinoffs will be extremely valuable. Their profits will pay for

the project. Physics, articles, and letters in professional publications report this feasible. Back an anti gravity project, partially solved by a scientist who was with Bell Labs.

Back a major demo of Holistic Health's ability as a complete system to cure and/or prevent all injuries, illness, birth defects, and genetic anomalies. Integrate all of Holistic Health to save lives & 80%+ on Health Care.

Blow the Whistle on the 35 errors, omissions, fantasies, and negligence Geniuses identify in human cultures. Fix Education's 22 Errors, Omissions, and Fantasies. This will almost eliminate crime, drugs, violence, rape, develop people that will address basic causes of problems, not symptoms, and plan ahead for a hundred thousand years. This is urgently needed for human and ecological survival.

Fund a World Health equals World Peace Project and a Human and Ecological Survival Project. Promote a Holistic Health Longevity Program for all leaders and key people. An optimum program will heal all stress, attitudes, emotions, and the tendencies to use violence and war to solve problems. People at peace with themselves don't use violence.

► Cultural Conditioning is Hypnotic in

Character, literally brainwashing that keeps most from learning that cultures make serious errors, that geniuses are almost always right. Humanity is genetically designed to be inherently gullible, to act habitually. This is why advertising sells. 22 Education Errors, Omissions, and Fantasies encourage these inherent tendencies. Sociology proved only 4/6% can even consider new info that conflicts with their Beliefs, their Mind Set.

Both demonstrate Applied Physics. . Fund a Regeneration R & D project. This is already proven feasible by Europe's projects that grew fingers back on young kids, the world's research in Energy Healing, physics and other sciences. They violate both Civil Rights and Human Rights. This is aided by HHS, medical schools, associations, and government still illegally fighting a war against any effective competition to MD's. They are still failing to integrate Holistic Health research. They continue the 1838 to present war against Alternative Medicine reported in 212+ books. These report Fascism used to suppress the research in and use of Holistic Health Sciences in Prevention, Health, and Healing Care. Media aids this.

Energy Healing, Applied Physics, eliminates all viruses and bacteria. This is proven by 53 laboratory studies since 1947, with 42 studies since 1956 proving that healing of all mental physical problems is feasible when we use Energy Healing persistently. This is Applied Physics and Spiritual Healing, able to change all elements of our MultiDimensional Holographic Mind Body Life Energy Field System. Paradigm Shift implications, the implications of each of the 46 scientific discoveries that created them, and how they are involved in all planning, decisions, actions, and research, why geniuses are discounted, put down, ostracized, sometimes even killed for proving establishments wrong, and both how and why humanity ignores our geniuses solutions to problems today as throughout human history. We still flunk the lessons of history, herstory, sociology, cultural psychology, and ignore establishments habits of eliminating all competition and ideas. Holistic Health proven valid by 25 studies, yet still suppressed today. You believe this can't happen here and now?

► Examine the Union of Concerned Scientists web report on Bush ordering 19 agencies to falsify their info. They all did. Agriculture, HHS, Labor, Environment, DoD, State Dept, Homeland Security, and All Other agencies and departments. Only two people quit.

Please check evidence and references, add a cover letter on the results, send to all of your key people, board members, associations, both AMA's, and boards of major corporations, universities,, foundations, and associations. Geniuses in Universities write books and speak about these errors, yet our education management fails to correct internal errors and crimes. History is written by the winning establishments, ignoring all minority voices proving errors. There are four clear cut crimes, fraud, serious errors, waste, and severe negligence in our best schools. Our critiques of education expands on this. Talk with Attorneys, MD's, and others on our reference list. ►►►Use all of WISDOM.

We ask your help to correct the 35 cultural errors that cost you and our world money, and save lives and wealth with Holistic Health, Stress Removal, and Safety Training. Help eliminate humanities massive bad habit of believing information that has long been proven false. Human's inherent gullibility, plus learned habits of arrogance, ignorance, stupidity, anger, and greed for money, power, social standing, sex, and love cause almost all of our many problems. 83% of all people that seek positions of power felt unloved as children, seek power as a substitute for love.

The history of power regulation and the experience of deregulation in all fields causing pollution, corporate failures, stock mortgage swindles, thievery, bad mortgages violating the deceptive practices act and other laws, and our long history of financial manipulation and irregularities proves again that regulations and laws protect citizens, families, business, honest management, employees, stockholders, families, and ecology.
