QUESTIONS FOR ALL AARP BOARD MEMBERS, OFFICERS, AND COMMITTEES,

Proposal To Apply Ethics, Science, Research Info to Correct Major AARP Errors

January 14, 2003 July 30, 2003 December 12, 2005 May 16, 2007

Dear Ex Dir Bill Novelli, Pres, Board, & All AARP Management,

➤ Albert Einstein “Reality is merely an illusion, albeit a very persistent one.” Those who fail to learn history are doomed to repeat it. Those who fail to learn history correctly are simply doomed.

I ask that you act ethically and establish a corporate and an editorial policy on checking references and examining evidence of errors, omissions, and fantasies. Add a policy of checking references and evidence on Whistle Blowers info, rather than discounting reports on research proving establishments are wrong. Correct all serious errors of fact and science. Tell all of the truth tell the whole story. Investigate who disagrees with establishments, why, and examine the evidence. Study the many history and sociology studies of suppression of major ideas and research throughout human history, today as in the past. Failure to examine research is very expensive in lives and \$\$\$.

The UCS report on Bush administration falsification of science will add perspective to our summary of geniuses research and info in many fields. Stop AARP Civil Rights violations of employees and members.

Examine and apply Physics proof that Reality Is a MultiDimensional Holographic SubSystem.

IF you check references and examine evidence this time, this info will enable applying all of the lessons of science, history, cultural and social psychology to prevent and solve problems. Our governments act illegally against children, women, men, ecology, and science throughout history and today. Humans continue to destroy Earth's environment, and wipe out

Earth's oil is gone by 2100. Weather cycles alone require reducing population below 2 billion. ►How many people can Earth support with no oil for agriculture, food transport, and food processing, with weather cycles reducing crop production drastically? Perhaps 500 million if we do everything right. This is the most urgent emergency of the seven major disasters facing humanity. Plan ahead???

our very slim chance of survival, increasingly worse yearly. Help make human survival the first order of business for corporations, educators, and governments. Help stop AARP Civil Rights and Human Rights violations by promoting false info on health, safety, stress, and gay lesbian's.

Or starve billions very soon, 100-200 million by 2100. ►Anti abortion anti birth control killed half of the 18 million starved since 1893, and will kill billions in the future. Anti abortion is genocide of billions, as we lack sure birth control methods. ►Women die in pregnancy and child birth, 1 in 6 to 1 in 2700. ►Anti abortion is manslaughter. ►Abortion is ten times safer then pregnancy and birth.

We propose a series on the history of USA governments' actions against citizens and ecology by favoring Vested Interests actions against people and ecology, acting in favor of power and greed, the history of the still ongoing War Against Alternative Medicine since 1838, why attorneys studying this war's results say everyone has a winnable lawsuit against the AMA Allopathic Medicine illness care system, why only a few in management have noticed Holistic Health, and what happened to the President's Health committee 23 person study of Holistic Health finding it valid.

Eight attorneys told me that everyone can sue MD systems successfully. Attorneys say the system is involved in RICO, anti trust, criminal conspiracy, criminal malfeasance, theft by deception, and manslaughter. Government

► Safety studies on training that reduces accidents and errors 98% to 99.7% are still ignored with 32 studies in literature since 1938. An AP safety story in every paper 7/1987 was

elected and hired politicians and management can be charged criminally for acting as coconspirators with manslaughter. They have suppressed healing modalities that enable the best Oriental Physicians like Dr Liang to miss only one case of cancer out of 689 in 26 years running Herbs and Acupuncture Research Inc in San Diego. I have interviewed many. The best ones do as well.

► Holistic Health Centers can work with injuries, illness, birth defects, and stress on a free it not healed basis. Examine the results of the MD Pharmaceutical HHS system being given absolute power, and how this resulted in their use of fascist methods to eliminate all competition. This is reported in 212+ books, and in history and sociology studies.

ignored. Boston police require Aikido training, a key element. Add Tai Chi and Meditation. If five additional tools are used, accidents and errors would be reduced 99.8 consistently.

How can we advise editors, board, and management that only 4.6% of people can even consider new info that conflicts with their mind set as humans ignore new info for generations. Therefore AARP has aided fraud and manslaughter in health and ignored much research that will help all people! Study and verify the info in our summaries of geniuses info in many fields. Examine the ACLU proposal information and check all references.

Send us info on the editorial and all other committees. Is there a committee that can consider correcting management errors and theft from budget? Start one now. Request: annual report, a list of officers, board members, and contact info for each.

Call me at 619-284-2468 PT re references, evidence sources, cultural lag, the Sociology Cultural Psychology research on the Vested Interest Syndrome, the lessons of history, the enclosed info, and our workshop proposal. You will need all of this info and references to correct your serious and deadly errors and address our major cultural blunders. This will be far better then waiting for the class action lawsuits that will be brought against all establishments that continue to act destructively against people. I've heard of six groups considering this. The evidence is solid.
