Dear Kathlyn Nash, Anthony Romero, All Committees, & ACLU Boards,

► Examine our full 30+ page proposal on Web and supporting data. Call me re evidence, references.

Attorneys studying the ongoing war against Alternative Medicine agree that politicians and government management can be held criminally liable for aiding and abetting this war, as they have no immunity for aiding manslaughter. Can they be held criminally liable for manslaughter in their failures to fund the Army Corp of Engineer’s request for funding to repair and increase the height of New Orleans dikes? This directly killed people. These deaths were predicted. This violated Civil Rights and Human Rights. Is the Army Corp of Engineers liable for all losses due to their engineering failures in dike design and canal design??? These engineering errors violated Civil Rights and Human Rights. Zoologists studied 450 species with homosexuals. False info in courts and media kills people and destroys lives. This is illegal. Court and voters decisions made on false info is a crime.

Can charges be brought against all elected, appointed, and hired government officials who take any action or inaction which can reasonably be expected to result in unnecessary deaths?

Can all government actions and inactions in health, safety, education, military, and all other fields that result in deaths result in charges of manslaughter??? Ignoring 32 study groups with 98% to 99.7% less accidents is deadly to many daily. Holistic Health will cure all MD “Incurable” problems.

► Why suppress Zoology’s proof, of 450 species studied, All have Homosexuals??? Humans 7.3%.

Sincerely, Dr Doug C. Hemstreet CEO Founder
