► Albert Einstein “Reality is merely an illusion, albeit a very persistent one.” Those who fail to learn history are doomed to repeat it. Those who fail to learn history correctly are simply doomed.

► Two agendas. Help make students and faculty aware of the effects of cultural blind spots and the Vested Interest Syndrome, the implications of physics discarding the mechanistic view of the world 100 years ago, and why universities teach as if it’s mechanistic, why we ignore long term planning, and the damage done by ignorance of the entire system, the forefront of science and knowledge, and what happens when new discoveries prove wrong what we absolutely know is so.

Tell students how to permanently eliminate stress internalization in three to ten hours with simple Imagery NeuroLinguistic Programming tools, and why counseling doesn’t work on the hypnotic programs created in the minds of 92% of people by traumatic events of loss, violence, rape, war, fire, accident, illness. Amateurs can work with books and each other and use Imagery to eliminate stress permanently almost as rapidly.

With two years of Aikido, a small woman or girl can’t be attacked successfully by five men.

REPORT ON ACLU ERRORS, MISMANAGEMENT, INTERNAL FRAUD, & LOSSES

October 5, 2005

Dear Kathlyn Nash, Anthony Romero, All Committees, & ACLU Boards,

Attorneys studying the ongoing war against Alternative Medicine agree that politicians and government management can be held criminally liable for aiding and abetting this war, as they have no immunity for aiding manslaughter. Can they be held criminally liable for manslaughter in their failures to fund the Army Corp of Engineer's request for funding to repair and increase the height of New Orleans dikes? This directly killed people. These deaths were predicted. This violated Civil Rights and Human Rights.

Can charges be brought against all elected, appointed, and hired government officials who take any action or inaction which can reasonably be expected to result in unnecessary deaths?

Can all government actions and inactions in health, safety, education, military, and all other fields that result in deaths result in charges of manslaughter??? Ignoring 32 study groups with 98% to 99.7% less accidents is deadly to many daily. Holistic Health will cure all MD "Incurable" problems.
