Dear Director, All Committees, Grants, & George Soros,

► Examine Geniuses info summary at [www.serendipityassn.org](http://www.serendipityassn.org) 150+ PDF articles.

Solutions In Science For People, Business, Ecology, Governments, and Human Survival.

►►► UCSD Prof. Milton Saber & Attorneys agree geniuses info is valid!

Research Project Proposals Based On Applying All Of The Forefront Of Science & Knowledge.

► Whistle Blowing! WHAT IF Our Geniuses Are Right? Study [www.serendipityaassn.org](http://www.serendipityaassn.org)

An honest Evaluation of these summaries of geniuses research requires reading our key documents.

► “A Basic Cultural Urgent Problems, GIGO Data Bases”, Fix, Education, Libraries, Peace, Media, Media Ethics, Scientific Method, Risk, Agriculture, Govt, Safety, Security, ACLU, Military, Health Enhancement References +. Examine our 150+ articles--Web-CD. Check Evidence, References.

► Radionic Devices Offer Proven Solutions to BioWarfare, Agriculture, Education, & Research.

Examine and apply Physics proof that Reality Is a MultiDimensional Holographic SubSystem.

► I write with many agendas. Note Business, Research Projects, Fix, Education, Insurance, Vehicle, DoD, Safety, and Security Proposals, Long Term Human/Ecological Survival Projects, R & D, and Grant Proposal on Web-CD.

I ask your help in publicizing info on geniuses discoveries at the forefront of science that educators, corporations, governments, and

media miss. Research proved accurate data that will enable correcting all of the actual basic causes of our many problems as integrated sub systems. Major costly goofs by government are being ignored. The info we gave DoD’s Chief Of Staff Powell and handed to an FBI agent in 1992 and to many others since would have enabled preventing 9-11 and security breaches. They failed to address training errors and

omissions, and discounted the fraud in health care. ► An FBI Senior Advisory Special Agent on Financial Crimes says he can't get them to listen to his ideas for improvement. He thinks I'm right, but says FBI CIA are unable to consider new to them info. Military, security, police, drivers, and kids need the Safety Training to save lives and equipment, and the Cultural Psych info both still ignored. 9/11 commission failed to consider info on the basic causes of failures. Institutional Blind Spots, the Vested Interest Syndrome habit of psychologically discounting any info that conflicts with mind set are still ignored.. Habits of thinking in well learned patterns keep institutions from considering new info.

Much of our summary of geniuses research will improve your businesses, aid R & D, offer new product and research projects, increase the rate of invention, reduce errors and accidents 98% to 99.7%, reduce illness care costs 87% to 82%, reduce illness 76%+, permanently eliminate stress internalization in 3 to 10 hours, correct vision in one to five days, heal all problems, and aid your employees and board members. Corporations fail to use training in cost benefit analysis, creativity enhancement, cause effect relationships in a Holographic Universe, Active Listening, stress elimination, and Transpersonal Psychology. Homeland Security is closed to research info they need to improve their effectiveness. Humans Inherent Habits of discounting and ignoring any new to them info that conflicts with their mind set, belief system, caused these failures. This is explained by Cultural Psychology research on the Vested Interest Syndrome proving that only 4.6% can even consider new to them info that conflicts with their Mind Set. We have Vested Interests making government decisions in most fields. Results--Short and long term problems and actual disasters for children, adults, ecologies, cultures, and long term human survival.

all of the forefront of science to improve products, services, and increase sales. Correct the tremendous legal liabilities created by ignoring and failing to use the state of the art in safety, health care, security, and research projects--Risk Management. Why act AS IF reality is mechanistic? Reality was proven in 1900 to be a MultiDimensional Holographic Universe This requires seven elements of the Scientific Method and four design of experiment tools. Base all research and decisions on working with Holographic Sub Systems. Plan ahead.

many non profit and offers for profit projects.

The President's Health Committee 23 person study found Holistic Health valid. Recommendation--completely integrate it to save lives, suffering, and billions. Their study was suppressed by MD's on the larger committee. Integrating Holistic Health will enable reducing costs of health care 87% to 92% eventually, healing all problems for most people. We seek backing for a major demo of Holistic Health's ability to heal all problems of stress, vision, injury, illness, birth defects, and genetic anomalies as Holistic Health research proved everything except political stupidity is

► Holistic Health Training and Insurance Systems will enable insuring everyone for less the 50% of what we pay now. This will solve budget problems. Attorneys who studied the war against Alternative Medicine say that everyone has a winnable lawsuit against the MD system for RICO, Theft by Deception, Criminal Malfeasance, and Manslaughter. See our Grant Proposal and Health info.

Impacts on world leaders of learning they've been given false info on health, prevention, healing, safety, agriculture, and human survival may make it possible to correct all twelve errors, omissions, and fantasies in formal education and seven in informal education. ► These failures aided our ignoring research on training to eliminate accidents that's been available in our culture since at least 1938. ► Back a long term World Peace project. When we correct all 19 education errors, omissions, and fantasies, we will have peaceful societies and world. When world leaders learn that the 1838 to present war against Alternative Medicine suppressed science and resulted in their being given very incorrect info on health care healing and prevention, correcting the worlds education systems and planning ahead for long term survival may be possible.

► Why ignore The Union of Concerned Scientists web report on Bush ordering major government agencies to falsify reports on research and other studies??? Science mag editor is involved. Even HHS replaced birth

Biowarfare solutions are suppressed. Radionic Devices are proven effective by 16,000 farmers and USN 1984 research. They eliminate any insect pest, virus, bacteria, fungus, and mold in the target area. FDA put two firms out of business for daring to point this out in their literature. They use a different frequency for each item. Only physics explains them. Most people feel physics research can't possibly be right, so Agriculture departments discount and ignore them. There are still seven manufacturers. See our Agriculture report. Appropriate Technology For Rural Areas has 17 groups. Call their Radionics expert at 800-346-8140, Fayetteville, AL. Develop food plants that survive drought, very wet, and salty farmland much better. ►Ocean CO<sub>2</sub> rose from 315 ppm in 1958 to 377 ppm in 2004, after being stable for 400,000 years until industrialization in the 1800's. This will destroy phytoplankton's ability to form shells with calcium as it continues to increase. They feed the zooplankton that feed fish. This will wipe out the foundation for the ocean's food chain. The current rate of increase of CO<sub>2</sub> will result in

We seek donations to publicize Radionics, eliminate pesticides, and research the development of Radionic devices that can cover the entire planet from a single location. Physics and other research indicates that this may be feasible. I've located experts that can be brought together for this project. Research on Psychotronic devices is another project for which we need major funding. Devices that eliminate Jet Lag need promotion. These are needed by all world travelers for business, military, security, governments, and tourists.

Rewards and protection of life and jobs, or a new job will attract Whistle Blowers in power firms, military contractors, DoD, CIA, FBI, corporations, and all areas of US, state, and local governments. Military, State Department, CIA, FBI, and other government agencies are failing to use the research on the Cultural Psychology of each culture and sub culture we deal with. countries and internally. The actual cost of spending money on credit has not been addressed. What are the total costs of spending money we don't have, while ignoring our many needs? We need Foreign Aid. Trade Imbalances result in offshore money buying US property, shifting an increasing percentage of USA ownership into foreign hands. What is the long range results of this? Trade acts injure us when they end up with our citizens competing against people making less then \$2 per day, with no health care, safety, or environmental protection. No level playing field for our citizens. Outsourcing jobs and new technology creates even worse conditions for our children, families, and adults. The trade bills are damaging us badly now, and destroying our future.
