Dear Mr Soros,

Solutions In Science For R & D, Business, Societies, People, & Human Ecological Survival.

I offer 23 product manufacturing and research projects, and urgently needed education proposals. We present eight + agendas, whistle blowing info that will save you money by addressing Cultural Blind Spots, reduce errors, accidents, health care costs, eliminate stress permanently within ten hours using NLP, and increase creativity and the rate of invention. Examine product info that will aid research, solve problems, reduce costs, eliminate jet lag, and promote understanding of science. Physics explains Psychotronic, Radionic, and Pyradyne Inc devices, and why a Holographic Universe requires Seven Elements in a New Scientific Method, Four Design of Experiment Methods to be scientific. See Agriculture article. Add Web CD 150+ summaries of geniuses info to Soros web & links. It is costly to ignore Physics proving we and all we deal with are an integrated part of a MultiDimensional Holographic Universe. This opens many doors for research and projects.

➤Albert Einstein “Reality is merely an illusion, albeit a very persistent one.” Those who fail to learn history are doomed to repeat it. Those who fail to learn history correctly are simply doomed.

I again ask your help in applying and publicizing the forefront of science and knowledge info that media, educators, researchers, nonprofit, business, and governments are missing. This would enable correcting the actual basic causes of our many problems as integrated sub systems. Major goofs by government are being ignored. The info we gave DoD's Chief Of Staff Powell and handed to an FBI agent in 1992 and others since 1975 would have enabled preventing 9-11 and other attacks. He failed to address the training errors

and omissions, and ignored, discounted, the ongoing MD fraud in health care. An FBI Senior Advisory Special Agent on Financial Crimes says he can't get them to listen to his ideas for improvement. He thinks I'm right, but says the FBI is unable to consider new to them info. Military, security, and police need advanced scientific Safety Training to save lives and equipment, increase intuitive awareness of danger, error, best action, improve effectiveness, and the Cultural Psych info. All are ignored. The 9/11 commission failed to consider our info that the basic causes of failures are Institutional Blind Spots, the Vested Interest Syndrome habit of psychologically discounting any info that conflicts with mind set. Habits of thinking in well learned patterns keep most institutions from

considering new info that proves quite wrong what they "Absolutely Know to Be So". Science keeps doing this. Homeland Security is closed to research info they need to improve their effectiveness. Humans Inherent Designed In Habits of discounting and ignoring any new to them info that conflicts with their mind set, belief system caused these failures. This is explained by Cultural Psychology research on the Vested Interest Syndrome. We have Vested Interests making government decisions in most fields resulting in short and long term problems, lost opportunities, and actual disasters for children, adults, farm and wilderness ecologies, and Earth's total interrelated environment. The many Lessons of History and Herstory are still unlearned.

- ▶ "A Basic Cultural Urgent Problems, GIGO Data Bases" Education, Libraries, Fix, Peace, Media NYT, Media Ethics, Ed Scientific Method, Agriculture, Govt, Safety, Security, ACLU, Military, Health Enhancement References, Grants, etc. Examine our 150+ articles very carefully. Examine evidence. Check references. Help with Whistle Blowing and our world peace, world health, long term human survival, and science projects. Call me re references, evidence sources, and actions needed to apply geniuses info to prevent and correct problems in corporations, political systems, and cultures.

Myth Conceptions are a very poor foundation for planning, decisions, research, and actions. Much of our summary of geniuses

accidents 98% to 99.7%, reduce illness care costs 87% to 92%, reduce illness 76% to 83%, eliminate stress internalization in less than ten hours, one appointment with NeuroLinguistic Programming, heal all problems, and aid your employees and board members. ► Serendipity Association is a 501c3 nonprofit. We seek funding for many nonprofit projects, and partners for business projects. The President's Health Committee 23 person study 1997 report found Holistic Health valid. They recommended Integrating Holistic Health to enable reducing costs of health care 80% fairly soon, 87% to 92% eventually, healing or preventing all health problems in most people. Back a major demo of Holistic Health's ability to heal all problems of stress, injury, illness, vision, hearing, genetic anomalies, birth defects. optimize Holistic Health Program design. The impact on world leaders of learning that they have been given false info on health, healing, prevention, safety, agriculture, and human survival may make it possible to correct all twelve errors, omissions, and fantasies in formal education and seven in informal education. These failures aided our ignoring 32 research studies of training that eliminates 98% to 99.7% of accidents and errors. Info in our culture and literature since at least 1938. will be very profitable. This may be solved within 60 years and \$1.5 Trillion.

► Physics indicates that we may succeed in many other needed and feasible projects.

These include improving safety and security, regeneration, devices to neutralize nuclear waste radiation and toxic wastes, weather control, fire damping at a distance, anti gravity, and rehabilitation of all criminals, even rapists and pedophiles. Prevention is feasible when we correct all 19 errors in education. A true space drive may be feasible.

Medicine suppressed science and resulted in their being given very incorrect info on health care healing and prevention, correcting the worlds education systems and planning ahead for long term human ecological survival may be

possible.

►A Holistic Health Healing and Longevity Center will heal bodies, minds, attitudes, and emotions. This will heal all of the habits that lead leaders into theft, actions against peoples needs, ecological destruction, and using violence and war. We can create Holistic Health Centers that can work with all mind body health problems on a free if not healed basis, and not lose money. Energy Healing Is Applied Physics. Instrumentation shows Acupuncture Points, Meridian Lines, and Chakras. Our State Dept, Security, Education, Health, and other articles add depth and explain details.

►Political failures and coverups in all cultures are far worse then have been publicized by political campaigns and media. Our info Web-CD in 150+ articles covers 23 major errors and omissions in military, security, and State Department, and 35 cultural errors, omissions, and fantasies geniuses identify in culture.

►Why ignore The Union of Concerned Scientists web report on Bush ordering 11 major government agencies to falsify research and other reports??? They did. Science mag editor is involved. Even HHS replaced birth control and condoms with abstinence for STD prevention and birth control. Experience and research proves that increases infections and pregnancies. The rhythm method fails often. HHS removed

HHS government, educators, and media still suppress Holistic Health research and experience, even info on herbal ointments that eliminate breast and skin cancer for 98%, and how Dr Liang, Oriental Physician, Herbs and Acupuncture Inc, missed only one cancer case of 689 in 26 years here. Many Healers are this effective at healing and prevention. HHS ignores Seven Elements of the New Scientific Method. These are required by physics discoveries and a Holographic Universe. Science discarded the mechanistic world view in 1907. Everything we work with is a Holographic SubSystem.

condom info from their “education” pages. Eleven agencies falsified data on environment destruction, health, pollution of air and water, education, labor, and more is reported in these ►2004 March 49 page and July 33 page reports. We ignore research on weather cycles, business cycles, and how overpopulation is genocide of 100 to 200 million by 2100, six billion by 2400. Population density is a factor in starvation, violence, and war. Politician’s and religions keeping us out of international population control directly caused the starvation of over 8 million of the 18.6 million that starved since 1884. ►We use oil for agriculture. The world’s oil is gone by 2100, yet Bush and fuel firms kept us from requiring fuel conservation in vehicles

and all other areas. ➤Urgent–REQUIRE all vehicles to be hybrid or better, 70+ mpg, in the fourth model years. All buildings need to be straw bale construction or better, with triple glazed windows, fireproof, ergonomic design,

Bush's primary agenda seems to be the transfer of public money to the private sector's wealthy. Bush, his key people, and Republicans propose and use fascist methods similar to those Hitler used in taking control of Germany. His buddy buddy orientation and right wing religion actions and habits are costing the country far more than has been publicly noticed. Anti abortion is manslaughter of those women that still die in pregnancy and birth. Medical schools say it's ten times safer to have an abortion. Anti abortion is genocide, aiding population increases, resulting in more starvation. Millions soon, billions in the future if we fail to reduce

Biowarfare solutions are suppressed. Radionic devices are proven effective by 16,000 farmers and 1984 USN research. They eliminate any insect pest, virus, bacteria, fungus, and mold in the target area. FDA put two firms out of business for daring to point this out in their literature. They use a different frequency for each item. Only physics explains them. Most people feel physics research can't possibly be right, so Agriculture departments discount and

solar panels, and all other features needed for lowest energy use and lowest possible maintenance. Require installing and using all Psychotronic Devices in buildings and cities.

populations to less than two billion soon, and well below one billion by the time we are out of oil in the 2100's. ➤Weather cycle studies show clearly that we are at the end of 265 years of better crop weather, and will have worse weather with global warming than any in recorded history. ➤➤The ocean level is rising 4'-5.8' by 2100, 8'-12' by 2200, 22'+ by 3000.. Plan for an ice age in 400,000 years. Study our political cultural critiques, reform, and other proposals. Make all decisions AS IF humanity will be here for over 100,000 years, not ten years. ➤Perhaps we should actually Plan Ahead AS IF we plan to live on Earth for many Eons???

ignore them. There are still seven manufacturers. See our Agriculture report. Appropriate Technology Transfer For Rural Areas has 17 groups. Call their Radionics experts 800-346-8140, Fayetteville, AK. Get info from the US Psychotronics Association on their conferences and reports on research and products. Verify and Add Pyradyne Inc L.A.'s info on devices. Order the Medallion that prevents Jet Lag and Laser OmniOrbs, with 163 times the energy flow of a

standard pyramid. Aids genetic, biological research, regeneration, stress removal, healing, and improving food crops for nutrition and hardiness. Order thru us at their quoted price, check to them, we get credit. We need 7 devices costing \$26,000 for projects. Pyramids increase plant growth and healing rates 3 times. Physics applies to all. ► We seek donations to publicize Radionics, Towers, eliminate pesticides, and research the development of Radionic devices that can cover the entire planet from a single

► Back research to offset the impact on people and ecologies of Global Warming. Develop more nutritious food plants that survive long droughts, very wet, and salty farmland much better. CO₂ increase in oceans may destroy phytoplankton, the ocean's food chain base for fish. This is an urgent emergency of the seven major disasters

► Military spent over \$195 million on top secret psychic research thru 2001, as the first \$50,000 found the field valid. They failed to use research that could have prevented 9-11 and solve many security problems IF it was all used. USA fails to use grads and experts in Transpersonal Psychology. They are able to identify criminals or bombers in crowds or even at a distance.

They ignore our proposal to use Holistic Health's proven ability to heal all personnel, or to

location. Physics and other research indicates that this may be feasible. I've located experts that can be brought together for this project and will work with MIT. Research on Psychotronic's many devices is another project for which we need major funding. Devices that eliminate Jet Lag need promotion. These are needed by all world travelers for business, military, security, vacations, and governments.

facing humanity.

► Back Genetic redesign of phytoplankton to survive high concentrations of CO₂ to protect fish from destruction by 2400. Create heat and cold proof coral. Reefs are dying.

use the safety training to drastically reduce war fatalities, injuries, accidents and errors. Congress committees, Security Advisors, and Department of State Rice ignored geniuses info in many fields. The many lessons of history are neglected.

► Design an International Nonprofit Association offering rewards with protection, relocation, new job, and anything else needed to encourage Whistle Blowers to come up with much more info. Rewards will attract Whistle Blowers in power firms, military contractors, DoD, CIA,

FBI, corporations, and all areas of US, state, local, and all governments. ►Military, State Department, CIA, FBI, and other government agencies are failing to use the research on the Cultural Psychology of each culture and sub culture we deal with. All major cultures have been well studied. Using research on the lessons of history and the effects of language, religion, culture, subculture's effect on thinking, attitudes, emotions, and probable actions would have prevented the current messes in Islamic societies, and enabled us to do far better with all countries, and internally. The actual cost of spending money on credit has not been addressed. What are the total costs of spending money we don't have, while ignoring our many needs? Trade

When government money is used for new product and new business research and development that creates profit, the taxpayers should permanently own a large piece of the patents and business. Military contracts should be at actual costs with limited profit, and no high salaries bleeding citizens.

A DC insider at a meeting told me that Bush started the Kuwait war at that time to gain power and ensure winning elections. He was also going to show his dad that he could do it better.

►►Help establish a major world wide reeducation project for leaders and citizens on

Imbalances result in offshore money buying US property, shifting an increasing percentage of USA ownership into foreign hands. What is the long term results of this? Trade acts injure us when they end up with our citizens competing against slave labor and people making less then \$2 per day, with no health care, safety, or environmental protection. No level playing field for our citizens. Outsourcing jobs and new technology creates even worse conditions for our children, families, and adults. The trade bills are damaging us badly now, destroying our future. ►Borrowing money to give away or waste is extremely damaging to citizens and USA future. Study examples of why we need reeducation on how cultures fail or work to meet needs.

Use "Crimes Against Nature" by Robert Kennedy jr, and Al Gore's "Earth In The Balance" with much info to help remove right wing politicians. Bush and Republican actions and coverups violate the Constitution, Deceptive Practices Act, Separation of Church & State, and laws against aiding Manslaughter. Are they actionable under law??? Impeach able?

Government elected and hired officials have no immunity for actions and omissions aiding murder.

Project. Somebody “Out There” didn’t come in and create all of our many problems. Our grads created them. When We Correct All 12 Errors, Omissions, and Fantasies in Our Formal Education System, and Seven in Informal Education, We Will Have Sane Societies. Nine cultures studied were free of violence, rape, and crime. Humanity has the knowledge to do this in all cultures. This is far cheaper than the alternatives. We seek funding for a major project to create effective Multimedia ReEducation materials on the forefront of science, knowledge, why we ignore it for generations, and the many interrelated lessons of history, sociology, how cultures work or fail to work to meet the interrelated needs of children, adults, ecologies, and human survival, and the seven major disasters facing humanity. This is urgently needed for all leaders, corporations, educators, governments, and citizens. Grads need to understand the implications of Paradigm Shifts, the 46 scientific discoveries that discarded the mechanistic world view, cost benefit analysis,

Back the creation of programs, and offer for all leaders info on all of the actual costs and long range effects of greed, violence, and war, on the many ways actions against people, homes, buildings, and ecological systems destroy cultures and humanities’ future. This info is urgently needed. Teach all how cultures work or

cause effect relationships in a MultiDimensional Holographic Universe, the urgency and importance of very long term planning, weather cycles, business cycles, and the very costly and destructive effects of making plans and acting on incomplete, distorted, or false info. Educators teach info known to be false as if it’s true.

►Over 450 species are identified by zoology with homosexuals, proving the Creators design of humans is 7.3% homosexual. Lies cause violence, murder, and a four times greater suicide rate of youth when they learn they are designed by God homosexual. Does this prove homosexuality is a life style choice?

IRS regulations seem to require that all non profits and religions giving false info on homosexuality, aiding manslaughter of women by forced pregnancy, and aiding genocide by increasing populations must lose tax exempt status and business licenses. Can they all be charged? ►►►Educators are very guilty of acting as coconspirators. They are the foundation of knowledge for all cultures.

fail to work to meet the needs of children, adults, and ecologies, cost benefit analysis in terms of all elements of the system and long term effects of decisions and actions, why prevention is cheaper in terms of money and human costs, and why it’s far more effective to correct all of the actual basic causes of problems as an integrated
