Dear Governor,

We ask that you get evidence examined and references checked on cultural errors that cost us money and lives. Call me re evidence sources, references, and the Cultural Psychology research on the Vested Interest Syndrome. This is the root cause of failures to use all of the forefront of the state of the art on any problem. Let all leaders and the film, media, and other professional associations know how badly flawed their data bases are in almost all fields. You need the info in all of our summaries of Geniuses info on Web-CD to evaluate the extent of damage caused by Vested Interest pressures, greed, five types of payoffs, and humans’ increasingly destructive inherent habit of psychological discounting any new to them info that conflicts with their mind set. We shoot down whistle blowers. Project Proposals on Web Are Based On Applying All Of The Forefront Of Science & Knowledge

Cultures goof. We ignore the obvious. Prevention is cheaper on all problems. Use the 32 studies on training that reduces accidents 98% to 99.7%, errors 96% to 99%, preventive health studies proving 56% to 68% savings with 76% to 83% less illness in the many study groups, permanent stress elimination within ten hours using NeuroLinguistic Programming Imagery to heal victims stress permanently, the

We've designed governments, education systems, media, corporations, and cultures lacking intellectual curiosity or even the ability to consider, evaluate, and act on new to them info that requires examining cultural errors, omissions, and fantasies. Geniuses information at the forefront of science and knowledge offers many opportunities to produce documentaries, news, films, programs, and reeducation materials that will correct human misconceptions in many fields, and help address

25 studies Validating Holistic Health with savings of 87%+ and the proven ability to cure all problems, most people. ►73 Representatives and Senators ignored info sent without massive donations. A few sent us form letters. Most did not respond. Congress and State Legislators have no ability or provision to consider info on research proving establishments in error.

and correct the actual basic causes of problems by using accurate data and working with the entire Holographic System using all we've learned for the first time in history. Physics discarded the mechanistic world view in 1900, yet we still fail to teach that we and all we deal with are an integrated part of a MultiDimensional Holographic Universe. People are a Holographic Mind Body Energy Field Spirit Sub System. The 42 studies of the Applied Physics of Energy Healing prove we

can heal all survivors of disasters, accidents, illness, genetic errors, and solve regeneration now. ► We seek \$50 million for a five year project to complete physics based regeneration research and demonstrate success regenerating all lost and damaged body mind elements.

Funds needed for major demonstration projects of Holistic Health's proven ability to heal all

mind body problems on almost all people.

We seek \$50 million to improve Radionic Devices to cover Earth from one location, and eliminate specific pests, bacteria, viruses, fungus, or molds throughout our planet. They use a different frequency for each item.

Physics today requires a New Seven Element Scientific Method to work effectively with our Holographic SubSystem. Scientists report we may be able to successfully produce power from the underlying structure of our Multi Dimensional Holographic Universe with an Oak Ridge type project within 60 years and \$1.5 trillion. Physics research indicates that we may develop devices and training that will control weather, eliminate radiation and toxic wastes, and methods to wipe out forest and building fires at a distance. ► Many projects are feasible when we use all of the forefront of science and knowledge. Physics proved that people are a completely integrated Holographic Mind Body Energy Field Spirit SubSystem. Instrumentation shows Acupuncture Points, Meridian Lines, and Chakras. ► Holistic Health is proven valid by 25 studies, 42 on the Applied Physics of Energy Healing, proven able to heal all "MD Incurables", saving 87% to 92% of "MD Illness System" costs. We have no Health Care System. Vegetarian Diet Prevention studies find 56% to 68% lower cost, 76% to 83% less illness.

Science saves lives and \$\$\$'s. why not use the forefront of science and knowledge???
