HUMANITARIAN PROJECT INFO & GRANT PROPOSALS

Humanitarian projects of any nature will be far more effective IF they are made aware of and use all of our geniuses info at the forefront of science and knowledge. Geniuses identify 35 cultural errors, omissions, and fantasies in our culture and others. ► Cultural Psychology research proved that only 4.6% of humans can even consider any new info that conflicts with their Mind Set, Belief System. This is the Vested Interest Syndrome. “Not Invented Here” takes precedence over major research, Even in Safety, Health, and in Fixing Education’s 19 Errors, Omissions, and Fantasies. ►► Why consider aiding Serendipity Association and Bob Hemstreet to increase their impact on solving major problems for people and cultures? Our info will improve humanitarian results. ►► Bob Hemstreet is part of Serendipity Association. Bob would like most of the money he has coming from the mine paid directly to the non profit, to increase funds for projects to help people. Aid outreach projects to heal all infections, AIDS, spinal cord injuries, all childhood problems, eliminate stress, save 87%+ on health systems, fix 19 education errors. Initiate projects to address each issue in our culture and world where using today’s science will prevent and solve problems. ► Our Community Holistic Health Outreach Service works on healing all mind body ills on a free if not healed basis, ask volunteer time when healed, donations only from those able to afford it. ► USA ignore 32 studies on training reducing accidents and errors 98% to 99.7%, safety for kids, drivers, and pilots; and 25 studies validating Holistic Health, healing all problems, saving 87%-92%. Study why we ignore 37 studies of Natural Healing System Vegetarian Diet Prevention savings of 56% to 67% with 76% to 83% less illness; and Radionic Devices that eliminate any Insect Pest, Viruses, Bacteria, Fungus, and Mold in the target area, using different frequencies for each.

► Albert Einstein “Reality is merely an illusion, albeit a very persistent one.” Those who fail to learn history are doomed to repeat it. Those failing to learn history correctly are simply doomed.

Cultural Blind Spots are made far worse by this Vested Interest Syndrome. Establishments faced with info proving errors or actual crimes, hide it, discard it, distort it, or even create false info to buttress their position. Attacking, suppressing, or even killing the Whistle Blowers is common.

► We propose that you consider the Serendipity Association’s summaries of Geniuses discoveries and critique in 150+ PDF articles, no home page yet. Whistle Blowing, Proposals for Action, Grants, Demonstration Projects, and Research Projects. All proposals are on the Web.

Call me re evidence and references. See Geniuses Info Summaries. ► www.serendipityassn.org

Whistle Blowing! What If Our Geniuses Are Right?

An honest Evaluation of these summaries of geniuses research requires reading our key articles.

► ”A--Basic Cultural Urgent Problems, GIGO Data Bases”, Education, Libraries, Media NYT, Media Ethics, Ed Scientific Method, Agriculture, Govt, Safety, Security, ACLU, Military, Health Enhancement References, Fix, Peace, etc. Examine all of our 150+ articles. There are 638 books by scientists, 85 by Physicists, on how and why science info on Holographic SubSystems is valid.

►► Physics today requires a New Scientific Method with Seven Elements. See Web article.

► We seek grants for staff, office, treatment and reeducation of the public, educators, and nonprofits on prevention and healing, and clinics to demonstrate Holistic Health’s ability to heal all problems.

► Collect and Examine the Evidence in Each Field of Knowledge. Check Evidence and References at the forefront of science and knowledge very carefully. My expertise is in noticing our geniuses info at the forefront of science in many fields, their interrelationships, and how to apply it for solutions or to create new products and devices. The actual causes of and feasible solutions for our many difficulties have been studied and determined. Create a culture of prevention throughout America and the World by partnering with others in this effort. Let’s apply science and systems.

Geniuses info will save governments and corporations money, lives, prevent problems, and improve all research. ► Add a report on evidence and references to our material. Send it to all interested in aiding humanity to actually address the basic interrelated causes of problems instead of working only on symptoms for ten thousand years. Prevention is always the best and least costly solution for any problem. ►► Call me re grants, research projects, and ACLU proposals. IRS 501C3 enclosed.
