► Albert Einstein “Reality is merely an illusion, albeit a very persistent one.” Those who fail to learn history are doomed to repeat it. Those failing to learn history correctly are simply doomed.

IF you check references and examine evidence this time, this info will enable applying all of the lessons of science, history, cultural and social psychology to prevent and solve problems. Our governments act illegally against children, women, men, health, ecology, and science throughout history and today. Humans continue to destroy Earth’s environment, and

Earth’s oil is gone by 2100. Weather cycles alone require reducing population below 2 billion. ► How many people can Earth support with no oil for agriculture, food transport, and food processing, with weather cycles reducing crop production drastically? Perhaps 500 million if we do everything right. This is the most urgent emergency of the eight major disasters facing humanity. Plan ahead???

The Serendipity Association seems to be the only nonprofit being designed to correct all of the 35 basic errors, omissions, and fantasies that are the actual basic causes of humanities’

the USA throughout our history. We still teach sanitized history. We always have.

► MD Sports Medicine is unscientific. It's based on false premises. The 1838 to present War Against Alternative Medicine suppressed science in health care. Our geniuses have developed the tools and solutions for almost all of humanities problems. US law holds everyone, even governments and corporations, legally liable for damages due to failure to use the state of the art in any field, even if they don't know it. Let's apply this law to health systems, sports medicine, stress removal, education, safety, security, and agriculture +. Elected officials have no immunity for aiding manslaughter. They are criminally liable for aiding manslaughter by supporting the MD Allopathic Medicine war

against Alternative Medicine, taking payments under the table for 82 years to put MD's in charge of health. Government has actively aided the suppression of Alternative Medicine. ► We are starting a Demo of Holistic Health's ability to heal everything: Injuries, illness, birth defects, genetics, vision, attitudes, emotions, and stress internalization. Help fund a major healing demonstration for babies, children, women, and Sports Injuries. We agree to work with Holistic Health Healing on all sports injuries or any mind body problem of any nature on a free if not successful basis. Most heal in 10 to 20 hours, 1-3 days, working 6 to 10 hours daily until healed. More time daily, less total time needed.

Injuries have proven easily and rapidly healed by intensive use of advanced Energy Medicine Healing modalities, regardless of

severity. There are eight classes of Energy Medicine taught under 183+ names. ► Energy Healing is Applied Physics. The President's

Health Committee had 23 people study Holistic Health. Report 1997 “Valid, Integrate, Save Lives, Suffering, Billions”. The 25 studies validating Holistic Health show 87% to 92% savings. These are backed by 896 studies of Alternative Medicine, and thousands of years of experience. Our USA melting pot brought together all of the worlds healing systems. This enables creating extremely effective Holistic Health Centers. The 42 University studies of Energy Medicine since 1959, and 57 studies of Oriental Medicine show healing of almost all “Medically Incurable” problems. Netherlands MD’s ➤65% work with Energy Healers. Physics applies to people and planet. Physics proved we are energy, matter that is indeterminate, a Hologram flicker, 638.79683 cycles per nanosecond. Lab Instrumentation shows Acupuncture Points, Meridian Lines, and Chakras. We’ve healed bad knees, feet, spines,

Thirty three studies of Naturopathic Medicine doctors, licensed in 11 states, show that they are far more effective, far cheaper than MD’s, and heal most “Medically Incurable”

brain damage, tumors, and other incurable problems. Spinal cord injuries were healed in the Orient and Europe. Dr Liang, Herbs & Acupuncture Research in San Diego for 26 years, missed one Cancer case out of 689, getting many well that MD’s had sent home to die. We, many others, and books teach people to use Imagery in Meditation 1½-4 hours daily to correct Vision and other problems easily in 1 to 5 days. More time consecutively, less total time. This works on all problems, even stress, loss, height, breast size, longevity, obesity, and health. These tools improve abilities and success in all life areas. Apply all Eleven Elements of the New Scientific Method. ➤Physics discarded the mechanistic world view by 1907. This explains why 32 studies on training enable preventing 98%-99.7% of accidents and injuries, even in sports.

problems. They teach prevention. Some MD’s added Naturopathic degrees or OMD’s. Most with Public Health degrees, 8 of 11 I interviewed, know that arthritis, diabetes,

cataracts, and other problems are cured with Biological Medicine. Heals glaucoma, clogged veins, arthritis, diabetes, cataracts, etc. People quit getting colds on a well balanced Vegetarian Diet, free of dairy, hydrogenated oils, white flours, sugar, and junk foods. Vegans have More Stamina and longer, healthier lives. Vegetarian diets boost the immune system. I quit getting colds when I went Vegetarian-1973. All Dairy products are mucus forming, increasing parasite levels, and 93%+ of people are allergic to cows milk. Studies show cows milk interferes with early childhood development, as it's the wrong molecular structure for humans. Mammals are not designed to use milk after weaning. Less than 2% are allergic to goats milk, but it's still mucus forming. Soy milk is far safer and healthier

For mental and physical health it is far more scientific to work with the whole person as a MultiDimensional Mind Body Energy Field Spirit System that is all one piece, very completely integrated and interrelated. Mind is involved in accidents, injuries, health, illness,

after age three. Parasites cause problems. Bowel and liver cleansing, with removal of toxins and parasites is urgent to do yearly. It's important to learn why Human Resources, firms, universities, & governments goofed so badly on health, both healing and prevention, error reduction, safety, education, violence, war, agriculture, ►Prevention on all problems.

►Cultural conditioning is proven to be hypnotic. Cultural Psychology found that only 4.6% of humans can even consider new info that conflicts with their Beliefs, Mind Set. Establishments given new info conflicting with their Mind Set ignore it, hide it, distort it, or create false info to buttress their position. ►“Not Invented Here” takes precedence over science in all fields, even sports medicine.

success, failure, war, peace, and all else that happens to people. There are 32 studies of training methods that drop accident rates 98% to 99.7%, with 38 studies finding error rates on jobs and in life dropping 96% to 99%. ►This training will reduce injuries in sports, cars, war,

and kids. NeuroLinguistic Programming, NLP, is taught at Kennedy U, Orinda CA. This eliminates the internalization of stress in 3 to 10 hours in almost all cases. NeuroLinguistic Programming heals all subconscious programs that cause or are a factor in accidents, injuries, illness, and violence. These programs are involved in people becoming stressed, violent, angry, sad, drug addicts, unsuccessful, unhealthy, obese, or in any problem, even in success. Use these tools to improve performance in sports and all endeavors. Holistic Health is

Complete workshops on the forefront of science and knowledge to introduce the key info and training methods that will make people more effective in life, sports, and in avoiding injuries. We give a clear picture of how and why complete Holistic Health Systems will heal injuries and illness rapidly. Intensive work with Healing Energies, Mind, and all other tools needed by each individual will completely heal all sports injuries in two to six days, regardless of severity. people are easily healed. A few are very resistant to healing, and require healing of mind and spirit at deep levels. Correcting all of the actual basic causes of problems heals them.

►Call me, go over the references, and let's heal sports teams, management, staff, board members, families, and the many retired with injuries or health problems. ►Advise sports publications and associations that these tools work, and blow the whistle on the complete sellout of people by governments, MD's, and sports medicine going along with the

Attorneys who are expert on this anti science war say everyone has a winnable lawsuit against their MD system. Some say Congress can be jailed as a criminal coconspirator for aiding Allopathic Medicine MD's Conspiracy, Restraint of Trade, Anti Trust, Criminal Malfeasance, Manslaughter, and Theft by Deception. This is RICO. The USA was charged with American Medical Genocide in 1984, a 42 page charge sent to the UN Human Rights Commission and 450 others by a Chula Vista CA nonprofit. fantasies show clearly an ongoing "war" against using the forefront of human knowledge and science in our educational systems at all levels. Education has 19 errors. They even missed Preventive Medicine savings of 56% to 68%, methods to get permanently free of the internalization of stress, and tools to prevent learning and mental problems, violence, murder, and suicide. Our media and governments still ignore the history of power regulation. None who knew this would have deregulated power. Humanity fails to examine our geniuses information in all fields. RICO law enables forfeiture of all MD based property, including MD based non profit associations.

You will find adequate proof that "Medically Incurable" problems have been healed for thousands of years.

►I propose implementing a Holistic Health and board members of sports associations and Healing System Demo for all sport injuries and media. This will aid in correcting all 19 errors health problems in board members, officers, our geniuses have identified in education, 12 in employees, families, teams, and all. Add an formal Ed. Help all children, women, men, and evidence report and reference check. Send to the many with sports injuries. teams, officers, board members, and all officers

We seek help, groups, and funds for major demonstrations of Holistic Health's ability to heal all problems for babies, children, women, men, and athletes. I ask that you give serious consideration to helping our nonprofit address these many errors that damage people and cultures. Children are important, yet even Children's Hospitals refuse to examine the major research validating all elements of Holistic Health. Let's set up a program to demonstrate clearly that almost all health problems in children, women, athletes, and everyone can be healed inexpensively and quickly. Almost all in five days, within three weeks for some severe cases. Permanent Stress Removal Is Simple. Victims of sexual predators are easily healed. I healed a rape victim in seven hours after six years of therapists didn't help her. Predators, criminals, violence, anger, and sadness can be healed. Let's stop these crimes and Save Lives, Suffering, and Billions of Dollars. ►These healing tools, devices, and training increase intuitive awareness of danger, best action, and error also
