► A Forefront of Science Application Proposal For Medical, Government,+ Corporate Systems

Dear Medical Officers, Committees,& all Board members,

Reports on Scientific Research Proven by 25 Holistic Health Studies Were Ignored. Why?

► I challenge you to check references, collect and examine the evidence, and apply the legal rules of evidence. The failure to use the well validated forefront of science creates losses and risks. The summaries I sent you included information on scientific research proving that our geniuses have identified 35 errors, omissions, and fantasies in our culture. Examine all 35 to put the medical systems errors and crimes into perspective. Physics proved everything is an Integrated Holographic SubSystem.

► Albert Einstein “Reality is merely an illusion, albeit a very persistent one.” Those who fail to learn history are doomed to repeat it. Those failing to learn history correctly are simply doomed.

► Whistle Blowing! What If Our Geniuses Are Right? ► www.serendipityassn.org

An honest Evaluation of these summaries of geniuses research requires reading our key documents.

► "A Basic Cultural Urgent Problems, GIGO Data Bases" Education, Peace, Libraries, Media NYT, Media Ethics, Ed Scientific Method, Agriculture, Govt, Safety, Security, ACLU, Military, Health Enhancement References, Fix+.Study Web-CD's 180+ PDF articles. Check evidence, references.

IF you check references and examine evidence this time, this info will enable applying all of the lessons of science, history, cultural and social psychology to prevent and solve problems. Our governments act illegally against children, women, men, ecology, and science throughout history and today. Humans continue to destroy Earth's environment, and wipe out

our slim chance of survival. Help make long term human survival the first order of business for corporations, educators, and governments.

► Help stop Media, Educators, Government, HHS, AMA, and AARP Civil Rights violations in health and safety.

Earth's oil is gone by 2100. Weather cycles alone require reducing population below 2 billion. ► How many people can Earth support with no oil for agriculture, food transport, and food processing, with weather cycles reducing crop production drastically? Perhaps 500 million if we do everything right.

This is the most urgent emergency of the eight major disasters facing humanity. Plan ahead???

Or starve billions very soon. Anti abortion anti birth control killed half of the 18 million starved since 1893, and will kill six billion 2100-2400.

Anti abortion is genocide of billions, as we lack sure birth control methods, weather, farmland,

and fuel for crops. Women die in pregnancy and child birth, 1 in 6 to in ,000. Anti abortion is manslaughter. ►Abortion is ten times safer than

pregnancy and birth.

Politicians failed to look at the history of regulation. I knew the history, and was positive that no sane person would deregulate power. Many got shafted because they failed to examine the evidence. They didn't even question the false and distorted information given them by power firms pushing deregulation. They were brainwashed. Power firms still act as robber barons, violate the deceptive practices act, and reap unreasonable profits while causing misery and loss of

properties. They would seem liable for all damages incurred, yet governments fail to stop their lawlessness. Humanities history is one of anger, greed and power taking precedence over peoples needs, and suppressing data for generations when it disagrees with establishments and individuals mind sets and power bases. ►Cultural Psychology research, history books, and sociology studies report on humanities suppression of important and urgently needed information.

There are 212+ books on the war against Alternative Medicine. This RICO has killed your employees and board members. Cultural Conditioning is well proven to be hypnotic in character.

Alternative Medicine in 1838. The AMA was started primarily to eliminate the competition. The AMA was found guilty in 1987 of conspiracy, restraint of trade, and anti trust. Eleven other medical associations settled out of court. Brainwashing works. That's why

The MD's started a war against

advertising is sold. The war against science in health is reported in 212+ books showing fascist methods used to suppress science. This war still continues, ignoring 25 studies validating Holistic Health and India's integration of all elements of Holistic Health into medical schools, very slowly into their medical health care systems. The studies show 80%+ savings,

Training methods validated by University studies eliminate stress internalization, increase intuitive awareness of danger, error, and best action. Errors and accidents drop 96 to 99.7%, and best action decisions increase dramatically. These studies have appeared in our literature and newspapers since 1938, AP story 7/87 on 32nd. Errors that damage people are very expensive. Why continue to make them? Let's go over these references and evidence sources. Check them very carefully. Talk with the major Alternative Medicine Associations. Teach your employees how to permanently eliminate the

with 56% to 68% + savings on Natural Healing System Vegetarian Diet Prevention, reducing illness 76% to 83%. Our best hospitals are acting against their board members, officers, staff, and clients by not using the forefront of science in health, healing, and prevention.

hypnotic habit of stress internalization and how to correct vision and other problems with Imagery NeuroLinguistic Programing. Ask for feedback on their results and their experiences with Alternative Medicine. Learn why some MD's add Naturopathic and/or Oriental Medicine degrees. Study the world's research.

Science keeps proving our most deeply held beliefs are quite wrong.

I propose workshops for all key people and board members on the forefront of science and human knowledge. We will bring together the top people in each field. I suggest you invite

all decisions makers on health and healing in your metro area. Workshop emphasis will be on the history of suppressions of innovation, the cultural psychology research on the Vested Interest Syndrome, and an overview of all elements of science and all Alternative Medicine elements that come together to create Holistic Health Healing Systems that can heal almost all people with injuries, illness, and birth defects. People are proven to be a MultiDimensional Mind Body Energy Field

Learn why attorneys knowledgeable on the war against MD's competition say that the Allopathic Medicine system is guilty of RICO, is violating Civil Rights and Human Rights, and is involved in Theft by Deception, Criminal Malfeasance, and Manslaughter. The Deceptive Practices Act applies. Congress was paid money under the table for eighty two years to make MD's the health dictators. Science has passed us by in many fields. Our failure to

Spirit SubSystem. Physics proved that bodies are part of minds, that we and all we deal with are naught but mind stuff, energy that flickers in and out of existence like a Hologram. Energy Healing is Applied Physics. Systems research proved that if we fail to work with the whole system, we get unforeseeable results. The mechanistic world view was proven false by 1907. Eastern philosophers knew this thousands of years ago.

correct 19 educational errors is a factor. We ignore 37 studies of Natural Healing System Vegetarian Diet Prevention saving 56% to 68% of health costs, reducing illness 76%-83%, improving stamina. We ignore Imagery NLP tools to permanently eliminate stress. Obesity is cured permanently when we use NeuroLinguistic Programming and Energy Healing to de hypnotize the subconscious programs involved. All illness has mind

involvement. Studies have developed psychological profiles for all major illness. NeuroLinguistic Programming heals almost all victims of loss, rape, violence, accident, fire, and war in three to ten hours, only One Day. Transpersonal Psychologists are more effective. Humans are inherently gullible, keeping on proven wrong paths for generations. The info that will solve and/or prevent their problems is suppressed. Use Prevention.

When can we talk and start protecting your employees, clients, and budget? Let's work together to prevent the massive losses Allopathic Medicine establishments face by failing to use all of science in the face of massive evidence validating 19 educational errors, 12 in formal education, causing them to ignore safety training, error and accident reduction, Holistic Health Sciences, and the many lessons of history and sociology. Science, physics based, proved that our universe is a MultiDimensional Holographic SubSystem. We are Holographic Mind Body Energy Field Spirit SubSystems. Instrumentation shows Acupuncture Points, Meridian Lines, and Chakras. One percent of adults can see Auras, Life Energy Fields, 5% of kids, Kirilian Photography takes Auras photos. Science applies to people and prevention. Use all of science and knowledge.
