SCIENCE FOREFRONT SOLVES & PREVENTS PROBLEMS, REDUCES COSTS

A Forefront of Science Application Proposal May 10, 2007

Dear Lt Gov John Garamendi,

Budget + R & D Solutions In Science

Use all elements of the forefront of science in dealing with all problem areas that cost money and injure children, women, men, and cultures. I challenge you to check references, collect and examine the evidence, use the legal rules of evidence, and apply all Eleven Elements of the New Scientific Method required by Physics today. The failure to use the well validated forefront of science creates losses, risks, and missed opportunities. Our summaries of geniuses info include information on scientific research proving geniuses identified 35 errors, omissions, and fantasies in our culture. Examine them all to put the many cultural and medical systems errors and crimes into perspective. We ignore the savings of using prevention on all major problems, even in health and accidents. Our MD schools and systems have no experts on prevention or on stress removal.

► Albert Einstein “Reality is merely an illusion, albeit a very persistent one.” Those who fail to learn history are doomed to repeat it. Those failing to learn history correctly are simply doomed.

► Whistle Blowing! What If Our Geniuses Are Right? ► www.serendipityassn.org

An honest Evaluation of these summaries of geniuses research requires reading our key documents.

►”A Basic Cultural Urgent Problems, GIGO Data Bases”, Education, Libraries, Media NYT, Media Ethics, Ed Scientific Method, Agriculture, Fix, Peace, Govt, Safety, Security, ACLU, Military, Health Enhancement References,+. Study Web-CD’s 180+ articles. Check references.

IF you check references and examine evidence this time, this info will enable applying all of the lessons of science, history, cultural and social psychology to prevent and solve problems. Our governments act illegally against children, women, men, ecology, and science throughout history and today. Humans continue to destroy Earth’s environment, still wiping out

Earth’s oil is gone by 2100. Weather cycles alone require reducing population below 2 billion. ►How many people can Earth support with no oil for agriculture, food transport, and food processing, with weather cycles reducing crop production drastically? Perhaps 500 million if we do everything right. This is the most urgent emergency of the eight major disasters facing humanity. Plan ahead???

our very slim chance of survival. Help make long term human survival the first order of business for corporations, educators, and governments. Help stop HHS, Government, Media, Educators, DoD, and AARP ongoing Civil Rights and Human Rights violations in health and safety.

Or starve billions very soon. Anti abortion anti birth control killed half of the 18 million starved since 1893, and will kill six billion 2100-2400. Anti abortion is genocide of billions, as we lack sure birth control methods.

►Women die in pregnancy and child birth, 1 in 6 to 1 in 2700. Anti abortion is manslaughter. Abortion is safer then pregnancy and birth.

Politicians failed to look at the history of regulation. I knew the history, and was positive that no sane person would deregulate power. We all got shafted because they failed to examine the evidence. They didn't even question the false and distorted information given them by power firms pushing deregulation. They were brainwashed. They act as robber barons, violating the deceptive practices act, and reap unreasonable profits while causing misery and loss of properties. They would seem liable for all damages incurred, yet governments fail to stop their lawlessness. Humanities history is one of anger, arrogance, power seeking, five types of payoffs, and four types of greed taking precedence over peoples needs, and suppressing data for generations when it disagrees with

The MD's started a war against Alternative Medicine in 1838. The AMA was started primarily to eliminate the competition. The AMA was found guilty in 1987 of

establishments and individuals mind sets and power bases. There are history books and sociology studies of humanities suppression of urgently needed important information. There are 212 books on the war against Alternative Medicine that was caused by greed, arrogance, and scientific illiteracy. This ongoing RICO has killed employees and board members, and happened for the same reason the power and corporate thefts did.

►Cultural Conditioning is proven to be hypnotic in character. The Vested Interest Syndrome and our 19 education errors are the root causes for stock swindles, power seeking, theft, rape, violence, murder, drug use, and the major crimes in health care systems, HHS, education, safety, media, agriculture, and government.

conspiracy, restraint of trade, and anti trust by the Chiropractors lawsuit. Eleven other medical associations settled out of court. Brainwashing works. That's why advertising is sold. The war

against science in health is reported in 212+ books showing fascist methods used to suppress science. This war still continues, ignoring 25 studies validating Holistic Health, 42 studies of Energy Medicine, 52 studies proving that Energy Healing eliminates all viruses and bacteria, and India's integration of all elements of Holistic Health into medical schools, and slowly into their medical health care systems. Studies show 97% savings, with 56% to 68% +

Training methods validated by University studies eliminate stress internalization, increase intuitive awareness of danger, error, and best action, increasing creativity. Errors and accidents drop 96% to 99%, and best action decisions increase dramatically. Studies of ten effective methods have appeared in our literature and newspapers since 1938. Add four more tools for 99.7% less accidents and errors. Errors that damage people are very expensive. Why continue to make them when we have the knowledge to avoid them? Let's go over these

savings on Natural Healing System Vegetarian Diet Prevention. Our best hospitals are acting against their board members, officers, staff, and clients by not using the forefront of science in health, healing, prevention, and stress removal. In the Netherlands most MD's work with Energy Healers. Holistic Health is proven able to heal minds and bodies, even sex predators and brain damage. Perhaps even politicians.

references and evidence sources. Check them very carefully. Talk with the major associations in all Alternative Healing areas. Teach your employees how to permanently eliminate the hypnotic habit of stress internalization and how to correct vision and other problems with Imagery NeuroLinguistic Programing and other tools. Ask for feedback on their results and their experiences with Alternative Medicine. A man was a quadriplegic for four years, and healed himself completely with Imagery. Learn why a few MD's add Naturopathic, Herbal, and/or

Oriental Medicine degrees. Study the world's research. Science keeps proving that our basic most deeply held beliefs are wrong. "It Isn't

What We Know That Gets Us in Trouble, It's What We Know That Isn't So"

I propose workshops for all officers, key people, and board members on the forefront of science and human knowledge. We will bring together the best people in each field. I suggest you invite all decision makers on health, healing, and safety in your metro area. Workshop emphasis will be on the history of suppressions of innovation, the cultural psychology research on the Vested Interest Syndrome, and an overview of most elements of science and all Alternative Medicine elements

that come together to create Holistic Health Healing Systems. Well designed complete systems can heal minds and bodies of almost all people with injuries, illness, and birth defects. People are proven to be a MultiDimensional Mind Body Energy Field Spirit System. Physics proved that the body is part of the mind, that we and all we deal with are naught but mind stuff, energy that flickers in and out of existence like a Hologram. Energy Healing is Applied Physics.

►Systems research proved that if we fail to work with the whole system, we get unforeseeable results.

Rights, and is involved in manslaughter. The Deceptive Practices Act applies. Congress was paid money under the table for eighty two years to make MD's the health dictators. Science has passed us by in many fields. Our failure to correct 19 educational errors is a factor. We ignore 38 studies of Natural Healing System

Learn why attorneys knowledgeable on the war against all MD's competition say that the Allopathic Medicine system is guilty of RICO, is violating Civil Rights and Human

Vegetarian Diet Prevention saving 56% to 68% of health costs. We ignore tools to permanently eliminate stress. Obesity is cured permanently when we use NeuroLinguistic Programming and Energy Healing to de hypnotize the subconscious programs involved. All illness has mind involvement. Research developed psychological profiles for all major illness. NeuroLinguistic Programming heals almost all victims of loss, rape, war, violence, accident,

and fire in three to ten hours. Transpersonal Psychologists are more effective. Humans are inherently gullible, keeping on proven wrong paths for generations. Cultural psychologists say that only 4.6% can consider new to them info that conflicts with their mind set, their world view. “Not invented here” takes precedence. Info that will solve and/or prevent problems is suppressed. Use Prevention—it’s far cheaper on all problems.

When can we talk and start protecting your employees, budget, and citizens? Let’s work together to reduce the massive losses Allopathic Medicine establishments face by failing to use all of science in the face of massive evidence validating 19 educational errors, safety training, accident and error reduction, and even still suppressing all elements of Holistic Health Sciences that come together to create a scientific Holistic Health Healing System. When we work with the entire MultiDimensional Mind Body Energy Field Spirit System, we can heal all problems, and almost all people. A complete Holistic Healing System can work with people on a free if not successful basis after a five hour evaluation, and a contract that they complete the entire program that is designed for them. Call me.
