APPLY WISDOM TO SOLVE BUDGET, SOCIAL, & HUMAN SURVIVAL PROBLEMS

Bored? Help Fix Our Very Broken World!

What If our geniuses are right? Geniuses throughout history have defined problems better, and developed innovative solutions. They almost always are ignored for generations. ►Vested Interest Syndrome research by Sociology Cultural Psychology proved only 4.6% of people can even consider new info that conflicts with their mind set. Establishments given new to them info, ignore it, hide it, distort it, or even create false info to buttress their positions.. We still ignore humanities’ Wisdom that will solve and prevent problems by correcting all of the actual interrelated basic causes of problems, instead of working only on symptoms. Our problems have been made far worse by the failure to correct all twelve errors in formal education and seven in informal education. We hope that a major demonstration

of Holistic Health's ability to cure all mental physical problems except political stupidity will get all leaders to realize that human greed, arrogance, "Good Old Boys Network", and Cultural Blind Spots have resulted in major flaws, distortions, errors, omissions, and outright fantasies in all cultures and most professional fields. ►We even ignore the implications of physics discarding the mechanistic world view concept in 1907. Science requires that all decisions and research

Any Disaster of loss, war, rape, violence, accident, and fire creates hypnotic programs in the minds of 92% of victims. NeuroLinguistic Programming Imagery therapists eliminate the internalization of stress in three to ten hours, only one day in most cases. Imagery tools dehypnotize the mental traumas from fires, rape, violence, war, accidents, loss, and childhood. Most people can use books on Imagery NeuroLinguistic Programming and

work successfully with each other without the PhD's. Use "Jose Silva's Ultramind ESP System" by Ed Bernd, and Serge King's "Imagineering For Health" for workbooks. Add persistence, 1½ to 4 hours consecutively daily. Use these concepts in meditation to correct vision, eliminate stress, change body, and heal or solve problems within seven days. More time consecutively, less total time. Over 700 books teach these tools. Why does this work?

► Science proved that the body is part of the mind, a Hologram flickering 438.69783 cycles per nanosecond. We and all we deal with are

Accident Prevention is feasible. 32 Study groups using Tai Chi, Aikido, and Meditation have 98% to 99.7% less accidents. Why ignore research?? Use seven tools for 99.8% less accidents and errors. Eliminate injuries and deaths in accidents and fires by requiring this

**H**olistic Health is proven valid by 25 studies. The President's health committee 23 person 1997 report "Holistic Health is valid Fully integrate all of Holistic Health to Save Lives, Suffering, and Billions". "Illness Care" costs are high because the MD system started a war against Alternative Medicine on 1838, still ongoing. The AMA was formed to eliminate the competition. other healing systems. This suppression still continues, putting 483 MD's out of business for daring to work successfully with Alternative Medicine. This has created a climate of fear for those few MD's who learn that Holistic Health will heal and prevent health problems. They fear losing MD licenses. Illness Care Is Not Health Care. We lack a Health Care System., ► Eight Attorneys report all have a winnable lawsuit against MD systems for Rico, Conspiracy, Restraint of Trade, Antitrust, Theft by

Prevention is cheaper. We ignore studies of Natural Healing System Vegetarian Diet Prevention saving 56% to 68% on costs, with 76% to 83% less illness. I quit getting colds in 1973. We fail to use raw juices, healing foods,

The ongoing war against Alternative Medicine still suppresses 25 studies validating Holistic Health savings of 87% to 92% and the ability to cure all injuries, illness, birth defects, and eliminate stress from any cause.
