**APPLY WISDOM TO SOLVE BUDGET & SOCIAL PROBLEMS**

Bored? Help Fix Our Very Broken World!

What If our geniuses are right? Geniuses throughout history have defined problems better, and developed innovative solutions. They almost always are ignored for generations. Vested Interest Syndrome research by Cultural Psychologists proved that only 4.6% of people can even consider new info that conflicts with their mind set, so establishments given new to them info, ignore it, hide it, distort it, or even create false info to buttress their positions.. We still ignore humanities’ Wisdom that will solve and prevent problems by correcting all of the actual basic causes of problems, instead of working only on symptoms. Our problems have been made far worse by the failure to correct all twelve errors in formal education and seven in informal education. We hope that a major

demonstration of Holistic Health’s ability to cure all mental physical problems except political stupidity will get all leaders to realize that human greed, arrogance, “Good Old Boys Network”, and Cultural Blind Spots have resulted in major flaws, distortions, errors, omissions, and outright fantasies in all cultures and most professional fields. We even ignore the implications of discarding the mechanistic world view concept in 1900. Science requires that all decisions and research be soundly based on working with all of the interrelated system elements of our MultiDimensional Holographic planet as an integral subsystem of our MultiDimensional Universe. It is urgent to always use all eleven elements of the scientific method.

NeuroLinguistic Programming Imagery grads eliminate the internalization of stress in three to ten hours in most cases. Imagery tools dehypnotize the mental traumas from fires, rape, violence, war, accidents, loss, and childhood traumas. Most people can use books on Imagery

NeuroLinguistic Programming and work successfully with each other without the PhD’s. Serge King’s “Imagineering For Health” is good for all ages. Add persistence, 1½ to 4 hours consecutively, and use these concepts in meditation to correct vision, eliminate stress,

and heal or solve problems within seven days. More time consecutively, less total time. Over 700 books teach these tools. Why does this work? Science proved that the body is part of the

Accident Prevention is feasible, with research reported in our media since 1938. Study groups using Tai Chi or Aikido and Meditation have 98% and 99.7% less accidents. Why ignore 32 studies??? Eliminate injuries and deaths in accidents and fires by requiring

Holistic Health is proven valid by 25 studies. The President's health committee 23 person study reported Holistic Health is valid and said to fully integrate it to save lives and money. "Health Care" costs are high because the MD system started a war against Alternative Medicine on 1838, still ongoing. The AMA was formed to eliminate the competition. They paid Congress under the table for 82 years to become

Prevention is cheaper. We ignore studies of Natural Healing System Vegetarian Diet Prevention saving 56% to 68% on costs, with 76% to 83% less illness. I quit getting colds in 1973. We fail to use raw juices, healing foods, herbs, toxic removal, and cleansing.

The ongoing war against Alternative Medicine still suppresses 25 studies validating Holistic Health savings of 87% to 92% and the ability to cure all injuries, illness, birth defects, and eliminate stress from any cause. Work with the whole person as a MultiDimensional Mind Body Energy Field Spirit Holographic Sub System that is completely integrated. All matter flickers in and out of existence. Physics and other sciences proved this. The body is part of

mind. We are MultiDimensional Holographic Sub Systems. Matter is indeterminate, literally a Hologram that flickers in and out of existence.

this training for all drivers and students. Save money, suffering, lives, and reduce errors 96% to 99% according to many studies. This will reduce violence.

the dictators of health care and suppress all other healing systems. This suppression still continues, putting MD's out of business for daring to work with Alternative Medicine. This has created a climate of fear for those few MD's who learn that Holistic Health will heal and prevent health problems. They fear losing MD licenses.

Pharmaceuticals aren't needed as Holistic Health heals or prevents all health problems drugs are prescribed for. Eliminate the "Great American Diet". It's deadly. Do toxic removal, parasite removal, and liver cleansing.

the mind,. Healing the subconscious programs involved in illness and reprogramming the mind for perfect health enables healing of illness, injuries, and genetic designs. A Nobel prize winner in physics states that everything is Mind Stuff. Instrumentation shows Acupuncture Points, Meridian Lines, and Chakras. Energy Healing is Applied Physics and is Spiritual Healing. Using Energy Medicine 6 to 12 hours daily is far more effective. Add NeuroLinguistic

Programming Imagery work for faster healing.
